***IllumiNations: Reflections of Earth* is** an award-winning night time show performed nightly (weather permitting) at Epcot at the Walt Disney World Resort in Orlando, Florida. The show utilizes fireworks, pyrotechnics, laser lights, fountains, and fire to create a visual production on the park's World Showcase Lagoon.

Fantasmic! Is a breathtaking 25-minute fireworks and water show performed on select nights (weather permitting) at Disney's Hollywood Studios theme park that brings together all of your favorite Disney Characters—including heroes, princess and villains.

There are a limited number of spaces for each **Dessert Party.** Therefore, the sooner that you register and reserve your preferred date/venue for the Dessert Party, the better! As they say, "First come, first served dessert!"

Since *Fantasmic!* has live performers, it will be cancelled if there is rain. The Dessert Party, however, will still go on at an alternate indoor venue.
