Signature Verification Form

Instructions for the Signature Verification Letter

1. The Signature Verification Letter should be in the prescribed format only (as given below) and preferably printed on the letterhead of the EXIM Organization in the online Certificate Request.
2. The letter must be completed and signed by the Authorised Signatory who has attested the Proof of Right to do Business document and the Safe EXIM Digital Certificate Application Form.
3. Have it counter-signed by your Organization's official Banker
4. The Banker must affix the Bank Seal at the end of the letter

It is strongly recommended that you retain a photocopy of all the documents sent to SafeScrypt. You will need to refer to them when you enrol online for your certificate.
