

Eagle Scout Recommendation Letter

Dear _____

It is of great honor and pride for us to learn that _____ has been nominated for the rank of Eagle Scout in the _____ council.

Scout _____ is an epitome of the Scouting Law and the values that it stands for. To further describe, he is a person who represents trustworthiness and loyalty. Throughout the years that I've known him, I've never seen a hard-working and committed individual who shows up earlier than asked and carries themselves in a polite and respectable manner. Nevertheless, Scout _____ is a level-headed and graceful individual who values God, Country, and Family, above everything else.

As his _____, it is our great pride to see how he has grown into a responsible, law-abiding, and God-fearing person. We humbly recommend Scout _____ for the rank of Eagle Scout in the STATE chapter as we believe in his selfless desire to serve others and in his compassion.

We are looking forward to hearing from you, and please do not hesitate to contact us if you have any further inquiries, or need to know more about Scout _____. You can reach me anytime at the contact information provided above.

Our best regards,
