Dear \_\_\_\_\_,

I am writing this letter in enthusiastic support of \_\_\_\_\_'s application as a law student in your reputable school. I have known \_\_\_\_\_ as my student for \_\_\_\_\_ now and in the years that he/she has been under my advisory, I have seen persistence, confidence, and humility—which I believe are the key ingredients to becoming a great lawyer.

I have observed how he/she interacts with his/her peers and how he meets deadlines all the while maintaining the quality of his/her output. He/she showed genuine interest in local and national matters and his/her dedication to provide timely solutions with levelheadedness and poise.

I fully recommend \_\_\_\_\_ with no doubt. He/she is a perfect addition to your set of commendable students.

If you have any questions, please do not hesitate to contact me through \_\_\_\_\_. I am available from \_\_\_\_\_ at \_\_\_\_\_.

Sincerely,

\_\_\_\_\_
