Dear \_\_\_\_\_,

It's with no reservation that I recommend to you, \_\_\_\_\_, for the available position in your institution. I am \_\_\_\_\_. I once worked with your facility for about \_\_\_\_\_. I have known \_\_\_\_\_ for some time no. \_\_\_\_\_ was a practicum under my supervision.

I have witnessed all possible hardships fresh teachers encounter before, during, and after every class demonstrations. One is \_\_\_\_\_. \_\_\_\_\_ has been very competent in ensuring the quality of all the lessons. She is very keen on details and always looks after the child's learning development. She always reserves remedial classes for those students in need of assistance. I assure you that \_\_\_\_\_ will be a good asset in your institution, not less than what you presume a potential teacher will be like.

I will be willing to talk further about my connections with \_\_\_\_\_. Kindly contact me with the details I added at the bottom part of this letter. Thank you.

Sincerely,

\_\_\_\_\_
