

Math Workshop Evaluation Form

Your feedback will assist in designing future math workshops.

Date of In-service (day/month/year): 26/04/2010

Topic/Name of In-service: Power of Ten - Visual Strategies For Learning Adding (Subtracting, & Place Value)

My expectations for this class was:

To learn fun ways to teach math to students

Overall Satisfaction:

- ☐ Did not meet my expectations
- ☐ Met my expectations
- ☒ Exceeded my expectations

Topic:

- ☒ Relevant
- ☐ Not relevant
- ☐ No Opinion

Comments & Suggestions:

I thought the presentation was great and I can see myself using a lot of these techniques to teach young students.

What will you be able to implement tomorrow? Next month? Next year?

all the games we played during the presentation

In-service Facilitator Name: Ms. Paula Thompson

- ☐ Did not meet my expectations
- ☐ Met my expectations
- ☒ Exceeded my expectations

Comments & Suggestions:

Thanks for the great presentation
and giving us resources for
teaching math in fun ways

Length:

- ☐ Too long
- ☐ Too short
- ☒ Just right

Location:

- ☒ Convenient
- ☐ Not convenient
- ☐ No preference

Comments & Suggestions

If this was to be held for
the whole day, it would be
nice to have breaks in between
and if given the chance to
play more games
