I hereby authorize the 504 ADA Student Coordinator for MUSC to communicate directly with the health care provider, in order to obtain clarification of issues relating to the functional limitations for which I am seeking an accommodation.

This authorization will automatically end within one year from the date I sign this form.

CONFIDENTIALITY NOTICE: Medical-related information shall be kept confidential and maintained separate from other personnel records. However, supervisors and managers may be advised of information necessary to the determinations they are required to make in connection with a request for an accommodation. First aid and safety personnel may be informed, when appropriate, if the disability might require emergency treatment or if any specific procedures are needed in the case of fire or other evacuations. Government officials investigating compliance with the ADA may also be provided relevant information as requested.
