

PRACTICE PRESENTATION FEEDBACK FORM

1. Did the introduction gain your attention? What other techniques might the speaker want to consider?
2. Did the introduction adequately preview the speech? Would such a preview be desirable or necessary?
3. Was the purpose of the speech clear? What was it?
4. Could you pick out the main points of the speech? What were they?
5. Was there sufficient supporting material? Were examples or narratives interesting?
6. Did the conclusion effectively summarize the message?
7. Did the concluding remarks leave you with something to remember?
8. Did the presentation sound natural and spontaneous?
9. What specific advice would you offer the speaker for the next presentation?
