Clearance Measurement (inches): \_\_\_\_\_

(From most distal aspect of socket to the ground. Include space for a liner, shuttle lock, etc.)

Patient Notes: \_\_\_\_\_

## Returns, Adjustments, Credits

We are committed to the complete satisfaction of the prosthetist and amputee. We deliver most products with a 60 day "Satisfaction Guarantee." If you are dissatisfied with a Freedom standard production product for any reason, you may return it for a full refund within 60 days of the original invoice date. Modular components and liners can be returned within 60 days of purchase only if their packaging is unopened. All returns require a Return Authorization Number (RA#), which is obtained by calling Freedom Innovations Customer Service or the Distributor through which the product was originally ordered. No returns will be accepted without an RA #. A restocking fee of 20% may be applied to orders returned after the 60 day Satisfaction Guarantee.
