

General Durable Power of Attorney

Pursuant to the Kansas Power of Attorney Act, K.S.A. 58-650 to K.S.A. 58-665, I appoint the following person as my attorney-in-fact:

If the above person should be unable to perform in this capacity due to death, disability, disqualification, or incapacity, then I appoint the following person as my attorney-in-fact:

This is a durable power of attorney, and the authority of my attorney-in-fact shall not terminate if I become disabled or in the event of later uncertainty regarding whether I am alive or dead. This durable power of attorney shall become effective immediately. My attorney-in-fact shall not be obligated to furnish bond or other security as a condition to this instrument. No compensation shall be paid for services as attorney-in-fact, but reasonable expenses accrued therewith shall be compensated.

I. General Grant of Authority. The attorney-in-fact shall have general powers regarding all lawful subjects and purposes, including every action or power that an able adult may perform through an agent, except as specifically provided in Section II of this document. The following specific powers are listed for illustration and clarification purposes and not to limit this authority.

1. Collect Funds. To demand, receive, and collect all money or property now or hereafter due or owing to me; to receipt and make releases or other discharges therefore; and to settle, adjust, or compromise any and all claims, accounts, or debts owing to me, including to file any proof of debt and take any proceedings under the Bankruptcy Code or similar statutes.

2. Deposit and Withdraw Funds. To receive, endorse, deposit, withdraw, and transfer all funds of any type into and from any checking, savings, or other account. This authority shall include taxes, Social Security, Medicare, Medicaid, Veteran's Benefits, and any other public or private assistance program. I nominate my attorney-in-fact to serve as my representative payee with respect to the receipt, deposit, and use of Social Security benefits, and I release the Social Security Administration from any claims that my attorney-in-fact misused Social Security payments.

3. Safe Deposit Box. To enter any safe deposit box on which I am the tenant or a co-tenant; to open new safe deposit boxes; to add to and remove any of the contents of any such safe deposit box; and to close out any safe deposit box.

4. Property. To maintain, repair, improve, manage, insure, rent, lease, sell, convey, mortgage, or otherwise dispose of, deal with, or encumber any interest in property, whether real, personal, tangible, intangible, jointly owned, presently owned, or later acquired; to execute any instrument; and to transfer property to a revocable or living trust made by me and that benefits me while alive.

5. Homestead. To give consent on my behalf to the sale, gift, transfer, mortgage or other alienation of my homestead or any interest in my homestead. The street address of the homestead is _____, and the legal description is _____. Nothing in this document shall be construed as a limitation or abridgement of the right of my spouse to consent or withhold consent to the alienation of the spouse's homestead or any rights therein under Article 15, Section 9 of the Kansas Constitution.

6. Transact Business. To transact any and all lawful business of any kind on my behalf, including to open accounts with financial institutions, and to buy, sell, endorse, transfer, hypothecate, and borrow against any stocks, bonds, or other securities, and to vote as my proxy regarding the shares. This also includes authority to pay any and all expenses incurred on my behalf.

- 7. Prosecute, Defend, and Settle Claims.** To institute, prosecute, defend, settle, compromise, or otherwise dispose of any claim on my behalf, including appearance on my behalf in any proceedings before any court, agency, or other venue, and the retaining of counsel.
- 8. Power of Attorney Documents.** To execute a power of attorney required by any agency or entity on my behalf authorizing my attorney-in-fact to transact with such group or legal entity.
- 9. Gifts.** To make or revoke a gift of my property, whether in trust or otherwise, and to disclaim a gift or devise of property to or for my benefit.
- 10. Tax.** To make, sign, and file Federal and state tax returns of any type or forms, documents, or agreements with the Internal Revenue Service (IRS) or any state taxing agency, to receive and pay any amounts with regard to tax matters, and to represent me before the IRS as my attorney-in-fact (including signing Form 2848 authorizing my attorney-in-fact to act on my behalf). This shall include consenting that any gift made by my spouse was made one-half by me for gift tax purposes. It is not, however, my intention to grant a general power of appointment to my attorney-in-fact for purposes of any federal or state gift, estate, or generation skipping tax law.
- 11. Public Assistance.** To apply for Medicaid, Social Security, Veteran's Benefits, Medicaid, or any other public or private assistance program, and to execute any documents or actions that are required to receive benefits, optional, or advisable for the optimal preservation of assets.
- 12. Insurance.** To purchase, pledge, liquidate, borrow against or make claim against any insurance policy of any type. However, my attorney shall have no power arising to an incidence of ownership over any policy on my attorney-in-fact's life, including, without limitation, the power to surrender the policy, borrow on it, pledge it, or distribute it to any person, except that my attorney-in-fact may pay, out of my assets, any premium on such policies.
- 13. Nomination of Guardian and/or Conservator.** If protective proceedings are commenced pursuant to my disability or incapacity, I nominate my attorney-in-fact to be my guardian and/or conservator and authorize my attorney-in-fact to name a guardian and/or conservator for my benefit.
- 14. Medical Care.** My attorney-in-fact shall have the authority to, on my behalf:
- A. Consent, refuse consent, or withdraw consent to any care, treatment, service, or procedure to maintain, diagnose, or treat a physical or mental condition, and to make decisions about organ donation, autopsy, and disposition of the body, including payment of the expenses of my funeral and the burial, cremation, or other disposition of the body.
 - B. make any and all arrangements at any hospital, psychiatric hospital, or psychiatric treatment facility, hospice, nursing home, or similar institution in Kansas or any other state or country; make arrangements for my release and removal from any institution; employ or discharge health care personnel to include physicians, psychiatrists, psychologists, dentists, nurses, therapists, or any other person who is licensed, certified, authorized, or permitted by law to administer health care, as the agent shall deem necessary for my physical, mental, and emotional well being;
 - C. request, receive, and review any verbal or written information regarding my personal affairs or physical or mental health, including medical and hospital records, to execute any releases that may be required to obtain this information, and to consent to the disclosure of this information.
 - D. I waive my patient-physician privileges relating to this General Durable Power of Attorney.
- 15. HIPAA Release.** I intend for my agent to be treated as I would be with respect to my rights regarding the use and disclosure of my individually-identifiable health information or other medical records. This release authority applies to any information governed by the Health Insurance Portability and Accountability Act of 1996 (HIPAA), 42 U.S.C. 1320(d) and 45 C.F.R. 160-164. I authorize any physician, health care professional, dentist, health plan, hospital, clinic, laboratory, pharmacy, or other covered health care provider, any insurance company, and the Medical Information Bureau Inc. or other health care clearinghouse that has provided treatment or services to me or that has paid for

or is seeking payment from me for such services, to give, disclose, and release to my agent, without restriction, all of my individually-identifiable health information and medical records regarding any past, present, or future medical or mental health condition, including all information relating to the diagnosis and treatment of any transmitted diseases, mental illness, and drug or alcohol abuse. The authority given my agent shall supersede any prior agreement that I may have made with my healthcare providers to restrict access to or disclosure of my individually identifiable health information. The authority given my agent has no expiration date and shall expire only in the event that I revoke the authority in writing and deliver it to my health care provider. The authority granted my agent under this paragraph shall be effective immediately.

16. All Other Acts. To do anything necessary or proper in handling and managing my affairs.

II. Powers Prohibited. Pursuant to K.S.A. 58-654(g), the attorney-in-fact shall not have authority:

1. To make, publish, declare, amend, or revoke any will.
2. To make, execute, modify, or revoke a living will, "do not resuscitate" order, a general durable power of attorney, or a durable power of attorney for health care decisions.
3. To require me, against my will, to take or refrain from taking any action.
4. To carry out any action that I have specifically forbidden while not disabled or incapacitated.

III. Accounting Waived. I waive the necessity of my attorney-in-fact to provide an accounting to me or any other person during my lifetime or upon my death.

IV. Disability or Incapacity Defined. Disability or incapacity means the person's ability to receive and evaluate information effectively or communicate decisions is impaired to the extent that the person lacks the capacity to manage personal financial resources or exercise a reasonable level of care with regard to the duties of an attorney-in-fact, as determined by the certification of one licensed physician, and shall apply if the person cannot take any effective actions due to involuntary detention or disappearance, as determined by affidavit of one party with such knowledge.

V. Revocation. I hereby revoke all of my previous powers of attorney, except any separate Durable Power of Attorney for Health Care Decisions, any separate power of attorney executed on Form 2848 appointing an agent to represent me before the IRS, and any separate Power of Attorney for Homestead Property. I retain the right to revoke or amend this document in whole or in part.

VI. Attorney-Client Privilege. I hereby authorize my attorney to provide my attorney-in-fact with any information that is necessary for my attorney-in-fact to adequately exercise the authority granted herein. I waive any attorney-client privilege for this limited purpose.

VII. Execution and Construction. This instrument is executed pursuant to the Kansas Power of Attorney Act and amendments thereto, and any questions surrounding this document shall be addressed pursuant to those statutes. Any question concerning the power or authority of my attorney-in-fact shall be construed in favor of the attorney-in-fact having such power or authority.
