PART D: TO BE COMPLETED BY PARENT/GUARDIAN

It is imperative that parents/legal guardians and their minor children understand that, as students, they are entering a college environment that carries with it certain possible scenarios, not all of which can be anticipated. The atmosphere of Gavilan classes may frequently reflect a diverse adult population.

Parent/legal guardian must acknowledge and initial the following:

- ____ Student may only enroll in approved advanced scholastic courses as stated under general information.
- ____ All college coursework and grades become a permanent part of the student's official college academic history and transcript. These grades will not be changed or erased.
- ____ Student must abide by the Gavilan College Standards of Conduct and are subject to the student disciplinary procedures as stated in the College Catalog. All disciplinary incidents become a part of the student's personal history.
- ____ Student is expected to meet all deadlines, classes must be dropped within the stated deadline, grade options selected, assignments turned in on time, etc.
- ____ Attendance is required, but not monitored. No one will call if the student misses class.
- ____ Courses may include frank discussions of sensitive topics.
- ____ Students may be exposed to additional college environment situations.
- ____ Group work, field trips, and/or class presentations may be expected in the class. If required, these activities and assignments will not be modified to accommodate minors.
- ____ If the instructor determines that the student is not keeping up with the class, the instructor has the right to drop the student.

These precautions are not meant to create undue concern for parents or minor students, only to serve as an advisory to allow you to manage your particular situation so the minor will have a positive educational experience at Gavilan College. For additional information regarding concurrently enrolled students, please refer to Gavilan Administrative Procedure AP 5011.

Special Note to Parents Regarding Right to Access Student Records

Under section 49061 of the Education Code, parents of community college students **do not** have a right of access to their children's student records, regardless of whether the student is under the age of 18. In accordance with this regulation, a student's college record and transcript will only be released upon the student's request.
