

Word Roots and Combining Forms

| <i>Root Word</i> | <i>Combining Form</i> | <i>Definition</i> | <i>Example</i> |
|-------------------------|------------------------------|--------------------------|-----------------------|
| A | | | |
| abdomen | abdomin/o | abdomen | abdominocentesis |
| achilles | achill/o | Achilles' heel | achillobursitis |
| acid | acid/o | acid (pH) | acidosis |
| acoust | acoust/o | hearing | acoustics |
| acr | acr/o | extremity | acroarthritis |
| actin | actin/o | ray | actinodermatitis |
| acu | acul/o | needle | acupuncture |
| aden | aden/o | gland | adenosis |
| adip | adip/o | fat | adipocyte |
| adren | adren/o | adrenal gland | adrenomegaly |
| aer | aer/o | air | aerophore |
| agglutinat | agglutinat/o | clumping | agglutination |
| albin | albin/o | white | albinuria |
| albumin | albumin/o | protein | albuminuria |
| alkali | alkali/o | basic (pH) | alkalosis |
| all | all/o | other | allochromasia |
| alveoli | alveol/o | small hole, air sac | alveoloclasia |
| ambly | ambly/o | dull | amblyopia |
| ambul | ambul/o | walk | ambulate |
| ametr | ametr/o | disproportionate | ametropia |
| amnion | amni/o | amnion | amniocentesis |
| amyl | amyl/o | starch | amyloorrhea |
| andr | andr/o | man (male) | androgenus |
| angi | angi/o | vessel | angioplasty |
| angina | angin/o | choke | anginose |

| | | | |
|---------|-----------|-----------------------|-----------------|
| aniso | anis/o | unequal | anisocytosis |
| ankyl | ankyl/o | stiffened, crooked | ankylosis |
| anus | an/o | anus | anoscope |
| anthrac | anthrac/o | coal | anthracosis |
| antr | antr/o | cavity | antroscopy |
| append | append/o | appendix | appendectomy |
| aort | aort/o | aorta | aortography |
| arachn | arachn/o | spider | arachnoid |
| arteri | arteri/o | artery | arterial |
| arthr | arthr/o | joint | arthroscopy |
| atel | atel/o | imperfect, incomplete | atelectasis |
| ather | ather/o | fatty | atherosclerosis |
| atri | atri/o | atrium, chamber | atriomegaly |
| audi | audi/o | hear | audiology |
| aur | aur/o | ear | aural |
| axill | axill/o | armpit | axillary |

B

| | | | |
|-----------|-------------|-------------|-------------------|
| bacteri | bacteri/o | bacteria | bacteriuria |
| balan | balan/o | glans | balanitis |
| bas | bas/o | base (pH) | basophyl |
| bip | bil/i | gall, bile | biliary |
| bilirubin | bilirubin/o | bilirubin | hyperbilirubinism |
| bio | bi/o | life | biosphere |
| blephar | blephar/o | eyelid | blepharitis |
| bol | bol/o | cast, throw | anabolic |
| brachy | brachy/o | arm | brachyocephalic |
| bronch | bronch/o | bronchi | bronchitis |
| bucc | bucc/o | cheek | buccoclusion |
| burs | burs/o | pouch | bursitis |

C

| | | | |
|-----------|-------------|---------------------------|--------------------|
| cac | cac/o | bad, diseased | cachexia |
| calc | calc/i | calcium | calciuria |
| calcane | calcane/o | heel hone | calcaneodynia |
| capn | capn/i | smoke, carbon dioxide | hypercapnia |
| carcin | carcin/o | cancer | carcinoma |
| cardi | cardi/o | heart | cardioplagia |
| carp | carp/o | wrist | carpopedal |
| cata | cat/a | down, downward | catatonic |
| caud | caud/o | tail | caudal |
| caus | caus/o | heat | causalgia |
| cecum | cec/o | cecum | cecoileostomy |
| celi | celi/o | abdomen | celioma |
| centr | centr/i | center | centrilobular |
| cephal | cephal/o | head | cephalhydrocele |
| cerebell | cerebell/o | little brain (cerebellum) | cerebellospinal |
| cerebr | cerebr/o | brain (cerebrum) | cerebromalacia |
| cerumin | cerumin/o | wax | ceruminolysis |
| cervic | cervic/o | neck | cervicofacial |
| cheil | cheil/o | lip | cheilosia |
| chem | chem/o | chemical | chemotherapy |
| chole | chole/o | gall, bile | cholecystogram |
| cholangi | cholangi/o | bile vessel | cholangioma |
| choledoch | choledoch/o | common bile duct | choledochotomy |
| cholester | cholester/o | cholesterol, fat | cholesterosis |
| chondr | chondr/o | cartilage | chondrocarcinoma |
| chori | chori/o | chorion | chorioadenonia |
| choroid | choroid/o | choroid | choroiditis |
| cine | cine/o | motion | cineradiography |
| cinemato | cinemat/o | motion | cinematoradiograph |

| | | | |
|------------|--------------|-----------------------|-------------------|
| cirrho | cirrh/o | yellow, tawny | cirrhosis |
| cis | cis/o | cut | excision |
| cistern | cistern/o | reservoir, cavity | cisternography |
| clavic | clavic/o | clavicle | clavicotomy |
| clavicul | clavicul/o | clavicle | clavicular |
| cleid | cleid/o | clavicle | cleidorrhesis |
| clon | clon/o | turmoil | clonogenic |
| coagul | coagul/o | clot | coagulopathy |
| coccidioid | coccidioid/o | fungus | coccidioidmycosis |
| coccyx | coccyg/o | tail bone | coccygodynia |
| cochle | cochle/o | snail | cochleotopic |
| coit | coit/o | coming together | coitis |
| coll | cull/o | glutinous, jelly-like | colragenitis |
| colon | colon/o | colon | colonoscopy |
| colp | colp/o | vagina | colporrhaphy |
| condyl | condyl/o | knuckle | condyloma |
| coni | coni/o | dust | coniosis |
| copr | copr/o | feces, excrement | coprostasis |
| cord | cord/o | cord | cordotomy |
| coria | cori/o | pupil (eye) | diplocoria |
| cortic | cortic/o | cortex | corticosterone |
| cost | cost/o | rib | costosternal |
| cox | cox/o | hip | coxalgia |
| crani | crani/o | skull | craniotomy |
| cretin | cretin/o | cretin | cretinism |
| crin | crin/o | secrete | endocrinology |
| crypt | crypt/o | hidden | cryptorchism |
| culd | culd/o | cul-de-sac | culdocentesis |
| cutane | cutan/o | skin | subcutaneous |
| cycl | cycl/o | ciliary body | cycloplegia |
| cyst | cyst/o | bladder | cystistaxia |

| | | | |
|-----|-------|------|-----------|
| cyt | cyt/o | cell | cytoplasm |
|-----|-------|------|-----------|

| D | | | |
|------------|--------------|-------------|----------------|
| dacry | dacry/o | tear | dacryoma |
| dactyl | dactyl/o | finger, toe | dactylospasm |
| dem | dem/o | people | endemic |
| dendr | dendr/o | branched | dendritis |
| dent | dent/i | tooth | dentifrice |
| derm | derm/o | skin | dermomycosis |
| dermat | dermat/o | skin | dermatitis |
| didym | didym/o | testis | didymalgia |
| dilat | dilat/o | widen | dilation |
| dipl | dipl/o | double | diplopia |
| dips | dips/o | thirst | dipsomania |
| disk | disk/o | disk | diskectomy |
| diverticul | diverticul/o | diverticula | diverticulitis |
| dont | dont/o | tooth | oligodontia |
| dos | dos/i | giving | dosimeter |
| duoden | duoden/o | duodenum | duodenostomy |
| dur | dur/o | hard | duroarachnitis |

| E | | | |
|----------|------------|----------------|-------------------|
| electr | electr/o | electricity | electrocardiogram |
| embol | embol/o | throwing in | embolism |
| emmetr | emmetr/o | ideal | emmetropia |
| emphys | emphys/o | inflate | emphysema |
| encephal | encephal/o | brain | encephalogram |
| enter | enter/o | intestine | enteritis |
| epidem | epidem/o | upon people | epidemic |
| epididym | epididym/o | epididymis | epididymectomy |
| episi | episi/o | vulva, pudenda | episiotomy |

| | | | |
|------------|--------------|----------------|----------------|
| erythrocyt | erythrocyt/o | red blood cell | erythrocytosis |
| esophage | esophag/o | esophagus | esophagocele |
| esthesia | esthesia/o | feeling | anesthesia |

F

| | | | |
|---------|-----------|------------------|----------------|
| fasci | fasei/o | hand | fasciodis |
| fibr | fibr/o | fiber | fibroma |
| fibrin | fibrin/o | fiber | fibrinogen |
| fibul | fibul/o | fibula | fibular |
| fluor/o | fluor/o | fluorescence | fluoroscopy |
| foramin | foramin/o | foramen, opening | foraminoectomy |
| format | format/o | formation | malformation |

G

| | | | |
|----------|------------|---------------------|------------------|
| galact | galact/o | milk | galactorrhea |
| gangli | gangli/o | knot | ganglionectomy |
| gastr | gastr/o | stomach | gastritis |
| gcn | gen/o | beginning, origin | genesis |
| genet | genet/o | producing | genetics |
| genit | genit/o | genitals | genitourinary |
| genital | genital/o | genitals | hypogenitalia |
| ger | ger/o | old age | geriatric |
| geront | geront/o | aged | gerontology |
| gigant | gigant/o | giant | gigantism |
| gingiv | gingiv/o | gums | gingivitis |
| glandul | glandul/o | little acorn, gland | glandular |
| glomerul | glomerul/o | little ball | glomerulitis |
| gloss | gloss/o | tongue | glossopharyngeal |
| gluc | gluc/o | glucose, sugar | glucocorticoid |
| glyc | glyc/o | sugar | glycogenesis |
| gonad | gonad/o | ovaries, testes | gonadotropin |

| | | | |
|--------|----------|----------|--------------|
| goni | goni/o | angle | gonioscope |
| granul | granul/o | granular | granulocyte |
| gravid | gravid/o | pregnant | primigravida |
| gynec | gynec/o | female | gynecology |

H

| | | | |
|--------|----------|--------------|--------------|
| halat | halat/o | breathe | inhalation |
| hem | hem/o | blood | hemoglobin |
| hemat | hemat/o | blood | hematocrit |
| hepat | hepat/o | liver | hepatoma |
| herni | herni/o | hernia | herniotomy |
| hidr | hidr/o | sweat | anhidrosis |
| hirsut | hirsut/o | hair | hirsutism |
| hist | hist/o | tissue | histology |
| hol | hol/o | whole | holography |
| humer | humer/o | humerus | humeral |
| hydr | hydr/o | water | hydrocele |
| hymen | hymen/o | hymen | hymenectomy |
| hypo | hypn/o | sleep | hypnosis |
| hyster | hyster/o | womb, uterus | hysterectomy |

I

| | | | |
|---------|-----------|-------------------|----------------|
| ichthy | ichthy/o | fish (scaly) | ichthyosos |
| icter | icter/o | jaundice | icterogenic |
| ile | ile/o | ileum | ileostomy |
| ili | ili/o | ilium | iliosacral |
| immun | immun/o | safe, protect | immunotherapy |
| insul | insul/o | pancreatic islets | insuloma |
| insulin | insulin/o | insulin | insulinogenic |
| ion | ion/o | ion | ionoradioscope |
| irid | irid/o | Iris | iridomalacia |

| | | | |
|--------|----------|-----------|-------------|
| ischem | ischem/o | hold back | ischemic |
| ischi | ischi/o | hip | ischiodynia |

J

| | | | |
|-------|---------|---------|------------|
| jejun | jejun/o | jejunum | jejunotomy |
|-------|---------|---------|------------|

K

| | | | |
|--------|--------------------|---------------|--------------|
| kary | kary/o | nucleu (cell) | karyotype |
| kel | kel/o | tumor | keloid |
| kerat | kerat/o | cornea | kkeratitis |
| ket | ket/o | ketone | ketosis |
| kinesi | kinesi/o, kincsi o | motion | bradykinesia |
| kinet | kinet/o | motion | kinetosis |
| kyph | kyph/o | hump | kyphosis |

L

| | | | |
|-----------|-------------|--------------------|----------------|
| labyrinth | labyrinth/o | maze | labyrinthitis |
| lacrim | lacrim/o | tear | lacrimotomy |
| lamin | lamin/o | shin plate | laminectomy |
| lapar | lapar/o | flank, abdomen | ;aparotomy |
| laryng | laryng/o | larynx | laryngoscope |
| later | later/o | side | lateroflexion |
| laxat | laxat/o | loosen | laxative |
| lei | lei/o | smooth | leiomyosarcoma |
| letharg | letharg/o | drowsiness | lethargy |
| lingu | lingu/o | tongue | nigralingua |
| lip | lip/o | fat | lipoatrophy |
| lith | lith/o | stone | lithotripsy |
| lob | lob/o | lobe | lobotomy |
| log | log/o | word, study | logomania |
| lord | lord/o | bending, curvature | lordosis |
| lumb | lumb/o | loin | lumbodynbia |

| | | | |
|-------|---------|--------------------|----------|
| lymph | lymph/o | lymph, lymph gland | lymphoma |
|-------|---------|--------------------|----------|

| M | | | |
|-----------|-------------|---------------------|--------------------|
| mamm | mamm/o | breast | mammogram |
| mandibul | mandibul/o | lower jaw | mandibular |
| mast | mast/a | breast | mastectomy |
| maxill | maxill/o | upper jaw | maxillotomy |
| meat | meat/o | passage | meatotomy |
| mediastin | mediastin/o | mediastinum | mediastinitis |
| medull | medull/o | marrow, spinal | medulloepithelioma |
| melan | melan/o | black | melanoma |
| men | men/o | month, (menstruate) | dysmenorrhea |
| mening | mening/o | membrane | meningitis |
| menisc | menic/o | crescent shape | menicitis |
| metr | metr/o | uterus | metritis |
| micturit | micturit/o | urinate | micturition |
| mitr | mitr/o | mitral valve | mitral |
| morph | morph/o | form, shape | morphology |
| muc | muc/o | mucous | mucositis |
| muscul | muscul/o | muscle | musculoskeletal |
| my | my/o | muscle | myoblast |
| myc | myc/o | fungus | mycosis |
| myel | myel/o | spinal cord | myeloma |
| myring | myring/o | membrane | myringoplasty |
| N | | | |
| narc | narc/o | night, sleep | narcosis |
| nas | nas/o | nose | nasogastric |
| necr | necr/o | death | necrosis |
| nephhr | nephhr/o | kidney | nephrema |
| neur | neur/o | nerve | neuroma |

| | | | |
|----------|------------|-----------------------|----------------------|
| neutr | neutr/o | neither, neutral (pH) | neutrophyl |
| noct | noct/o | night | nocturia |
| nucle | nucl/o | nucleus, central | nuclear |
| nyct | nyct/o | night | nyctalgia |
| nyctal | nyctal/o | blind, night | nyctalopia |
| O | | | |
| ocul | ocul/o | eye | oculopupillary |
| olecran | olecran/o | elbow | olecranonarthropathy |
| oment | oment/o | omentum | omentectomy |
| omphal | omphal/o | umbilicus | omphalitis |
| onc | onc/o | tumor | oncology |
| onych | onych/o | nail | onychitis |
| oophor | oophor/o | ovary | oophoritis |
| ophthalm | ophthalm/o | eye | ophthalmopathy |
| opt | opt/o | eye | optomyometer |
| orchi | orchi/o | testicle | orchitis |
| orchid | orchid/o | testicle | orchidopexy |
| organ | organ/o | organ | organomegaly |
| oscill | oscill/o | swing | oscillopsia |
| osm | osm/o | smell | anosmia |
| oste | oste/o | bone | osteorrhaphy |
| ot | ot/o | ear | otosclerosis |
| ov | ov/i | egg | oviduct |
| ov | ov/o | egg | ovoplasm |
| ovul | ovul/o | egg, ovum | ovulate |
| ox | ox/o | oxygen | anoxia |
| oxy | oxy/o | oxygen | oxytoxin |
| P | | | |
| palat | palat/o | palate | palatitis |

| | | | |
|-----------|------------------|------------------------|------------------------------|
| pancreat | pancreat/o | pancreas | pancreatitis |
| papill | papill/o | papilla | papilledema |
| par | par/o | bear | paroxism |
| parathyrr | parathyrr/o | parathyroid gland | parathyroidism |
| patell | patell/o | patella, knee cap | patellapexy |
| path | path/o | disease | pathology |
| ped | ped/o | foot | pedal |
| ped | ped/i | child | pediatrics |
| pedicul | pedicul/o | louse | pediculosis |
| pen | pen/o | penis | penitis |
| pept | pept/o | digest | peptogenic |
| perine | perine/o | perineum | perineocele |
| phac | phac/o | lens | phacosclerosis |
| phag | phag/u | eat, engulf | phagocyte |
| phalange | phalang/o | finger, toe | phalangectomy |
| pharmac | pharmac/o | drug | pharmacotherapy |
| pharyng | pharyng/o | pharynx | pharyngitis |
| phe | phe/o | dusky, muzzle | pheochromocytoma phiuisis |
| phim | phim/o | muscle | phimosis |
| phleb | phleb/o | vein | phlebitis |
| phon | phon/o | sound, voice | phonopathy |
| phragm | phragm/o | partition | diaphram |
| phragma | phragmat/o | partition | diaphragmatocele |
| phren | phren/o, phren/o | diaphragm | phrenoplegia |
| physi | physi/o | nature | physiology |
| physic | physic/o | nature | physician |
| pineal | pineal/o | pineal body | pinealoma |
| pin | pin/o | drink, pinlitary gland | pinocytosis, pitularism |
| pituitar | pituitary/o | pituitary gland | pituitarism |

| | | | |
|---------|----------------------|--------------------------|-------------------------------|
| pleur | pleur/o | pleura | pleuritis |
| pneum | pneum/o | air | pneumothorax |
| pneumon | pneumon/o, pncumon/o | lung | pneumonitis |
| poikil | poikil/o | irregular shape, passage | poikilocytosis, poronla |
| por | por/o | passage | poroma |
| porphyr | porphyry/o | porphyrin, purple | porphyrinuria |
| presby | presby/o | old | presbycusis |
| proct | proct/o | rectum, anus | proctostomy, proctalgia |
| prostat | prostat/o | prostate | prostatectomy |
| psych | psych/o | mind | psychology |
| pteryg | pteryg/o | winglike | pterygomandibular |
| ptyal | ptyal/o | salvia | ptyalorrhea, ptyalorrhca |
| pub | pub/o | pubis | pubovesical |
| pulm | pulm/o | lung | pulmometer, pulna nectonly |
| pulmon | pulmon/o | lung | pulmonectomy |
| pupill | pupill/o | pupil | pupillary |
| py | py/o | pus | pyorrhea |
| pyel | pyel/o | renal pelvis | pyelonephritis |
| pylor | pylor/o | pyloris | pyloroplasty |
| pyr | pyr/o | fire | pyrogenic |
| pyret | pyret/o | fever | pyretogenic |

R

| | | | |
|---------|-----------|-------------|----------------|
| rachi | rachi/o | spine | rachiomyalitis |
| radi | radi/o | ray, radius | radionecrosis |
| radiat | radiat/o | radiant | radiation |
| radic | radic/o | root | radicotomy |
| radicul | radicul/o | root | radiculitis |

| | | | |
|---------|-----------|----------------|--------------------------|
| rect | rect/o | rectum, loosen | rectocele, relaxation |
| ren | ren/o | kidney | renogastric |
| reticul | reticul/o | net, network | reticulocyte |
| retin | retin/o | retina | retinitis |
| rhabd | rhabd/o | rod | rhabdomyoma |
| rhin | rhin/o | nose | rhinorrhagia |
| rhythm | rhythm/o | rhythm | arrhythmia |
| rhytid | rhytid/o | wrinkle | rhytidectomy |

S

| | | | |
|---------|-----------|----------------|----------------|
| sacr | sacr/o | sacrum | sacrodynia |
| salping | salping/o | tube | salpingoectomy |
| sanguin | sanguin/o | blood | consanguinity |
| sarc | sarc/o | flesh | sarcoma |
| scapul | scapul/o | scapula | scapuloplasty |
| schiz | schiz/o | split | schizophrenia |
| scler | scler/o | hard, fibrous | scleroderma |
| scoli | scoli/o | curvature | scoliosis |
| scot | scot/o | dark | scotoma |
| seb | seb/o | oil | seborrhea |
| senil | senile/o | old | senilism |
| ser | ser/o | serum | serology |
| sial | sial/o | saliva | sialadenitis |
| sid | sid/o | iron | sideropenia |
| sigmoid | sigmoid/o | sigmoid, colon | sigmoidoscope |
| sin | sin/o | curve | sinoatrial |
| sit | sit/o | foot | sitotherapy |
| somat | somat/o | body | somatotropic |
| somn | somn/o | sleep | somnambulism |
| son | son/o | sound | sonogram |

| | | | |
|-----------|-------------|-----------------|------------------|
| sperm | sperm/o | seed | spermolysis |
| spermat | spermt/o | seed | spermatocyst |
| sphincter | sphincter/o | closure | sphincteroplasty |
| sphygm | sphygm/o | pulse | sphygmomanometer |
| spin | spin/o | thorn, spine | spinocerebellar |
| spir | spir/o | breath | spirometer |
| spir | spir/o | coil | spiradenoma |
| splen | splen/o | spleen | splenectomy |
| spondyl | spondyl/o | vertebra | spondylitis |
| staped | staped/o | stapes, stirrup | stapedectomy |
| staphyl | staphyl/o | cluster, uvula | staphyloplasty |
| steat | steat/o | fat | steatolysis |
| sten | sten/o | narrowing | stenosis |
| stern | stern/o | sternum | sternalgia |
| steth | steth/o | chest | stethoscope |
| stigmat | stigmat/o | point | stigmatism |
| stomat | stomat/o | mouth, opening | stomatitis |
| strept | strept/o | chain | streptococcus |
| sympath | sympathy/o | sympathy | sympathectomy |
| syphil | syphil/o | syphilis | syphilopsychosis |

T

| | | | |
|---------|-----------|------------|-------------|
| tars | tars/o | ankle bone | tarsectomy |
| ten | ten/o | tendon | tenorrhagia |
| tendin | tendin/o | tendon | tendinitis |
| tendon | tendon/o | tendon | tendonitis |
| tenon | tenon/o | tendon | tendonitis |
| terat | terat/o | monster | teratoma |
| test | test/o | testis | testalgia |
| thalass | thalass/o | sea | thalassemia |
| than | than/o | death | euthanasia |

| | | | |
|--------------|----------------|---------------|---------------|
| thel | thel/o | nipple | thelorrhagia |
| therm | therm/o | heat | hydrothermic |
| thromb | thromb/o | blood clot | thrombosis |
| thym | thym/o | thymus | thymopexy |
| thyrr | thyrr/o | thyroid | thyroptoss |
| tibi | tibi/o | tibia | tibial |
| tinnitus | tinnitus/o | jingling | tinnitus |
| toc | toc/o | birth | tocology |
| tom | tom/o | cut | tomography |
| ton | ton/o | tone, tension | tonography |
| tonsill | tonsill/o | tonsil | tonsillitis |
| top | top/o | place | topography |
| torti | torti/o | twisted | torticollis |
| toxic | toxic/o | poison | toxicology |
| trache | trache/o | trachea | tracheostomy |
| traumat | traumat/o | wound, injure | traumatology |
| trephination | trephination/o | bore | trephination |
| trich | trich/o | hair | trichomycosis |
| trigon | trigon/o | trigone | trigonitis |
| trop | trop/o | turn | neurotropism |
| tubercul | tubercul/o | swelling | tuberculosis |
| tympan | tympan/o | drum | tympanitis |

U

| | | | |
|--------|----------|--------------------|-----------------|
| ul | ul/o | scar | ulectomy |
| ulcer | ulcer/o | surface excavation | ulcerogenic |
| uln | uln/o | elbow | ulnad |
| ungu | ungu/o | nail | ungula |
| ur | ur/o | urine | uremia |
| ureter | ureter/o | ureter | ureterolith |
| urethr | urethr/o | urethra | urethrocystitis |

| | | | |
|--------|----------|--------|-------------|
| urin | urin/i | urine | uriniparous |
| urinat | urinat/o | urine | urination |
| uter | uter/o | uterus | uteralgia |
| uve | uve/o | uvea | uveitis |

V

| | | | |
|-----------|-------------|-----------------------------------|------------------|
| vagin | vagin/o | vagina | vaginectomy |
| vag | vag/o | vagus nerve, wondering | vagotomy |
| varic | varic/o | twisted vein | varicocele |
| vas | vas/o | vessel, duct | vasotripsy |
| vascul | vascul/o | small vessel | vasculopathy |
| vector | vector/o | carrier | vectorcardiogram |
| ven | ven/o | vein | venostasis |
| vener | vener/o | desire, love (sexual intercourse) | veneral |
| veni | veni/o | vein | venisuture |
| ventricul | ventricul/o | ventricle | ventriculitis |
| vertehr | vertebr/o | vertebra | vertebrectomy |
| vertig | vertig/o | dizziness | vertigo |
| vesic | vesic/o | vesicle | vesicocele |
| vesicul | vesicul/o | vesicle | vesiculotomy |
| vir | vir/o | virus | viruria |
| viril | viril/o | masculine | virilism |
| viscer | viscer/o | body organs | visceroenic |
| vitamin | vitamin/o | vitamin | hypervitaminosis |
| vitre | vitre/o | vitreous humor | vitreous |

X

| | | | |
|-------|---------|----------------|------------|
| xanth | xanth/o | yellow | xanthemia |
| xen | xen/o | alien, foreign | xenophobia |
| xiph | xiph/o | sword | xiphoid |

Z

| | | | |
|-----|-------|-----------------|-------------|
| zo | zo/o | animal | zooderma |
| zon | zon/o | encircling area | zonesthesia |
| zyg | zyg/o | joined | zygodactyl |
