Stones & Materials Desired:

Please let us know if there are certain stones or materials you'd like to be used (or avoided!) in your custom jewelry. Many natural materials are associated with certain qualities, e.g. turquoise is associated with emotional balance and spiritual grounding. More examples can be found on pages 4 through 6 of this form.

Or: I really like an existing Compass Rose design. Please make it similar to: _____

Inspiration:

Tell us about the event, travels, or life experiences that you are commemorating with your custom jewelry.

Stone Meanings:

<i>Material*</i>	<i>Colors</i>	<i>Meaning/Associations</i>
Agate	green, red, orange, yellow & browns	"The Stone of Balance" Fosters love and marital fidelity, abundance, wealth, good luck, longevity, acceptance, courage, protection, balance, harmony, generosity, strength, security and appreciation of nature. Very grounding, solid and stable. Also helps discover your inherent natural talents. (There are many different agates – some have varying meanings.)
Amazonite	green or blue green	"Confidence, Communication, Creativity, Calm" Creates a feeling of power. Inspires truth, sincerity, honor, self-love, confidence, communication, eloquence, integrity, trust, clarity, prophecy and openness. Soothes nerves and aggravations.
Amber	red, orange, yellow, blue, & browns	"Healing & Calming" Heightens creativity and a positive attitude. Absorbs negative energy, allowing the body to heal itself and calm the nerves. It has been used to guard against impotency and promote fertility. It is said to bring good luck, inner peace, wisdom and romantic love. Can stimulate intellect and aids choice making.
Amethyst	purple	"The Stone of the Spirit" Protects against anger, hate, envy and fear. Helps to bring calmness and clarity, and is good for overworked, overstressed or overwhelmed mental states. Fosters healing and selflessness and is associated with positive transformation.
Ammonite	usually browns	"Foundation & Structure" Ammonites are a large, extinct group of marine animals, known as cephalopods, that lived approximately 400 million years ago to 65 million years ago. They were abundant in all the world seas and survived several mass extinctions until the Cretaceous period, when it suddenly vanished.
Aquamarine	light blue	"The Stone of Courage & Serenity" Accelerates the intellectual reasoning process. Aquamarine blue is a divine and eternal color – the color of the skies and ocean – and brings serenity and combats depression.
Aventurine	green, white, blue, brown & pink	"Healer of Heart, Mind & Soul" A power stone, excellent for attracting abundance and wealth. Known as the stone of opportunity, chance, and luck. Also considered an all purpose healing stone, relieving anxiety, stress, and emotional and physical discomfort.
Azurite	electric blue, blue green, & turquoise	"The Stone of Heaven" Promotes new insight into all areas of life. Known as a stone for Change – letting go of old behavior, old patterns and old views of the world. Brings clarity and wisdom; calms anxiety; reduces depression and anger.
Bamboo	brown, green	"Resilience & Longevity" Is a symbol of the Far East cultures, and is known for its resilience and gentle compliance. Also symbolizes longevity.

Bloodstone	green jasper dotted with bright red spots of iron oxide	"The Stone of Courage" Can instill courage and protects from dangerous desires. Also is a strong healing stone, and can revitalize love, relationships and friendships. Helps the wearer let go of selfish behavior and renews idealistic outlook on life. Also enhances natural abilities, talent and creativity.
Carnelian	reddish or brownish orange	"The Stone of Action" A strong power stone; an excellent career stone that is helpful in making choices and decisions. Energy booster! It is also the most powerful action stone for focusing, realization and self-actualization and protects from all negative emotions. Once considered strictly the property of the noble class.
Chalcedony	all colors	"Brotherhood & Good Will" Considered a sacred stone by Native Americans. Nurtures and promotes brotherhood and good will. Absorbs and dissipates negative energy; harmonize mind, body and spirit. Agate is a chalcedony.
Citrine	golden or yellow	"The Stone of Success" Brings happiness, joy and optimism. Dispels and transforms negative energy. Energizes and invigorates; promotes warmth and comfort. Best stone for accomplishing business matters or settling familial disputes – brings a successful outcome.
Coral	red, pink, white, yellow and black	Coral was believed to prevent ill fortune and offer protection from skin disease when worn as a necklace. Chinese, Tibetans and Native Americans value coral as a symbol of vitality and joy of life. It has also long been associated with giving wisdom and aiding in mediation and visualization.
Ebony	black	Dark strength; The heartwood of the tropical Asian or African Ebony tree is hard and heavy, and is known for its use in cabinetwork and inlaying and for piano keys.
Emerald	emerald green	"The Stone of Successful Love" and "The Healer's Stone" The sacred stone of the goddess Venus, thought to preserve love. It has long been the symbol of hope. The emerald can act as a tranquilizer for a troubled mind, and bring the wearer reason, wisdom and spiritual healing.
Garnet	most popularly red, or green	"The Stone of Love and Devotion" The stone of passion and courage; stimulates devotion to your family, friends, and yourself. The garnet is very good for career success and encouraging business relationships. It will stimulate the senses and increase your vitality and stamina.
Hematite	silvery grey to black	"The Stone of the Mind" A calming stone but also offers support for your hopes, dreams, wishes and desires. Aids in memory enhancement, original thinking and technical knowledge. Helps to balance the emotions and energies between the mind, body and spirit. Transforms negativity into the energy of Universal Love.
Jade	most popularly green or white	"The Stone of Fidelity" A good luck stone, and is the ultimate symbol of calm and serenity. Helps release negative thoughts, alleviates anxiety and fear, and brings balance and healing.
Jasper	red	"The Supreme Nurturer" A power stone and a protection stone. It gives the courage to speak out and have personal independence. It is a very grounding stone, and has excellent protective and healing energies.
Labradorite	silver grey, but "schiller" changes color due to light refraction	"The Stone of Spiritual Awakening" Will help reveal your spiritual destiny, brings clarity of thought and the wisdom of the universe. Helps combine intellectual thought with intuitive wisdom and promotes strength of will and feeling of inner worth. Also brings patience and focus, and can help stimulate physical activity.
Lapis Lazuli	blue	"The Stone Total Awareness" Stimulates the consciousness toward the awakening of the perfection of self. Can help to overcome depression, bringing serenity. Also known as a stone of truth and friendship, and brings harmony in relationships by supporting open communication.

Lava	black	Molten rock expelled by a volcano during an eruption, which has cooled and solidified. Dreaming of lava is symbolic of an experience or fear of sudden and unavoidable crisis or challenge in your life.
Magnesite	white, yellow or grey	Promotes original and dynamic ideas, instills peace and stimulates passion. Magnesite is commonly dyed other colors.
Malachite	green	"The Stone of Transformation" Powerful in aiding with change, interpreting information leading to spiritual evolution, and identifying and releasing negative experiences. Helpful in gaining insight into the troubled relationships, resentments and anxiety so they can be released. Protective stone in the field of aviation.
Moonstone	milky, or translucent with white, pink or yellow sheen	"The Stone of Emotional Balance" Helps to soothe and balance emotions by brining them under your control. A stone of wishes, intuition and balance. Represents our feminine side: nurturing, gentle care and unselfish humanitarian service. Strongly associated with fertility and gardening. Also considered a protective stone while traveling especially at night or on the water.
Obsidian	black	"The Stone of Truth" A natural glass, it is a stone of protection (one of the first stones used for arrowheads and knives), and can help prevent negative energy from affecting you. Also a stone of honesty, sincerity and truth, acting as a mirror to reveal your own flaws, and give insight into correcting those flaws.
Onyx	black	"The Stone of Self-Mastery & Self Control" Enhances self-mastery, steadfastness and determination. Absorbs emotional intensity, keeping one level. Repels negative energy, and is helpful in releasing the past and moving forward after the end of relationships.
Opal	milky, ranging from yellow & red to green & blue	"Hope, Happiness and Truth" Opals represent purity and intensity and it assists in emotional and mental balance. It brings beauty, power and luck, and promotes happy dreams.
Pearl	white, black, and pink	"Symbol of Feminine Wisdom, Purity & Spiritual Transformation" Symbolizes the best within us: honesty, purity, wisdom and integrity. Can stimulate your femininity and help with self-acceptance. They lift your spirits and make you feel calm and beautiful.
Peridot	lime green, yellow green, olive green	"The Stone of Emotional Healing" has been used as a Power Stone for centuries. Peridot fosters emotional balance, and helps to heal us from past emotional wounds. It clears the pathway to the heart and heals damaged egos.
Quartz	clear	"The Energizer & Amplifier" The most powerful, versatile multi-purpose healing stone, particularly regarding self-esteem, and healing wounds of a neglectful or abusive childhood.
Ruby	red, deep pink	"The Stone of Fire and Passion" The chosen stone of Leaders, Kings and Priests for its ability to guide and help make wise and noble decisions. Heightens love for life, giving motivation and inspiration to choose wisely for ourselves and others.
Sapphire	blue	"The Stone of Loyalty and Fidelity" Sapphires have long symbolized truth, sincerity and faithfulness. As the represent divine favor, they were the gemstone of choice for kings and high priests.
Silver	white to gray	"The Mirror of the Soul" Excellent for mental, emotional and physical releasing and cleansing, and has a soothing and calming effect. It acts as a mirror to the soul, helping us see ourselves as others see us. Silver is a major conductor and communicator, aiding in speeches, and presentations. Enhances patience and perseverance.
Swarovski Crystals	various	Swarovski crystal beads and components are considered the finest of their kind in the world. They are leaded crystal and are imported from Austria.
Tiger Eye	most commonly rich	"The Stone of Self-Discipline" Excellent grounding stone which promotes balance and strength to get through

	gold with earthy browns	difficult situations. Relieves doubt and bestows decision making ability. Alleviates nervousness, anxiety and fear and enhances courage, grace and the ability to see situations clearly. Also stimulates wealth.
Topaz	various	"The Stone of True Love and Success in All Endeavors" Promotes individual creativity while providing self-confidence. Topaz also acts to replace negativity with love and joyfulness and enhances relaxation.
Tourmaline	all colors	"Gemstone of the Rainbow" Enhances flexibility, happiness, objectivity, compassion, serenity, balance, positive transformation, healing, strength, tolerance, joy and peace. Each of the colors of tourmaline have specific meanings. Magical powers have been attributed to tourmaline since ancient times.
Turquoise	ranges from blue to green	"Stone of Wisdom and Spiritual Journeys" A truth stone and stone of self-realization, symbolizing a time to be honest with yourself and helps you better understand yourself. Protects and blesses the wearer, and is one of the most versatile of the power stones, honored by the Native Americans. A grounding stone that absorbs negativity and calms the mind and body.
