

REQUEST TO OBTAIN MY FREE CREDIT REPORT

Important Information & Instructions:

In order to protect your personal information we will validate your identity before mailing your credit report to your confirmed home address. You must provide a photocopy of the front and back of:

- 2 pieces of government-issued identification (e.g. driver's license, health card, birth certificate, passport etc.)
- If your address is not up-to-date on either identification, you must also provide an additional document showing your current home address (e.g. telephone or utilities bill or bank statement). We recommend you **blackout** transactional details as we only require the date of the document, the sender, your name, address and your account number.
- If you provide your **Social Insurance Number (S.I.N.)**, we will cross-reference it with our records to ensure that we disclose the correct information to you. Knowing your S.I.N. helps us avoid delays and confusion in case another individual's identifying information (such as name and address) is similar to your own.
- If you provide a **credit card** statement or copy of your **credit card** as proof, please ensure to **blackout** your CVV.

The above information will be used to confirm your identity and will not be used to update or change your credit file information except if any part of your name, date of birth or address in our records is different from the proof you provide, we will update your credit report to reflect the correct information. We will keep a copy of the information you provide to demonstrate that we complied with our obligation to obtain reasonable identification from you.

Please send your completed form with proof of identity to: **National Consumer Relations: P.O. Box 190, Station Jean-Talon Montreal Quebec H1S 2Z2** or by fax to: **514-355-8502**. Kindly allow 5-10 days for delivery. If any corrections to your credit report are necessary you must complete the Credit Report Update form enclosed with your package, or visit www.equifax.ca and click on "How can I correct an inaccuracy in my Equifax report?" under Other Credit Services.

*Equifax Credit Score is a product some service providers use when assessing applications for credit and services. It is not part of your credit report, but is based on the particular information in your credit file at the time it is calculated. Equifax Credit Score is not the same as the FICO Score, which is also used by some lenders. Equifax will provide your credit report free of charge, whether or not you purchase your Equifax Credit Score. **There is another credit reporting agency in Canada that provides this service:** TransUnion of Canada, P.O.
