

## Instructor Self-Evaluation

This is an optional self-evaluation. If you like, you may complete this form while you're being evaluated by your students. Please answer any or all of the questions. You may also send additional comments to your program manager after you've received your student evaluations.

Instructor Name: \_\_\_\_\_

Title of Course: \_\_\_\_\_

Quarter / Year: \_\_\_\_\_

1. Please comment on what went well during your teaching of this course. Please highlight any successful strategies, techniques, activities, etc.

---

---

---

---

2. Please comment on the particular composition of the class (size of the group, level of ability/preparation, amount of participation, etc.) and how that affected your delivery of instruction.

---

---

---

---

3. Please comment on any particular concerns/issues/unexpected difficulties you encountered. Also, please note any assistance that would have been helpful.

---

---

---

---

4. How well did your activities, project, homework, and evaluation methods help your students attain your stated learning objectives? What changes might you make in the future?

---

---

---

---

5. Did the catalog description for your course accurately describe what you delivered in the classroom? If not, what changes do you suggest?

---

---

---

---

---

6. Please tell us your ideas/suggestions about future courses you'd like to see offered.

---

---

---

---

7. Please add any addition comments about your course, students, program, UC Irvine Extension administration, etc.

---

---

---
