## PLUMBING CARE MAINTENANCE AGREEMENT

### **Why Should I Have A Plumbing Care Maintenance Agreement?**

Ever have a leaky faucet, stopped up drain or wonder if your water heater was running at top efficiency? Most of us have. Wouldn't it be nice to have someone check on your plumbing system once a year and make minor repairs on the spot? This is what your Plumbing Care Maintenance Agreement is designed to do. Routine maintenance on your entire plumbing system will help all those minor irritations disappear. We will make plumbing maintenance easy on you. Schedule online or by phone – we'll even remind you to schedule your appointment.

### Plumbing Care Maintenance Agreement

- 1 FREE annual check-up on your plumbing system
- Minor faucet repairs (washers only)
- Ensure safe plumbing operation
- A 15% discount on additional labor and materials
- 5% discount on sewer and water line replacement
- 5% discount on replacement water heaters
- 2 year warranty on all parts
- 1 year warranty on all labor
- Priority emergency service
- Fast response times
- No overtime service charge
- Peace of mind knowing your system is operating safely and efficiently

We are happy to be able to offer three different packages to help fit every budget. Heritage Plumbing, Inc. is here to help you properly and professionally maintain your plumbing system.

### Option 1 - Bronze Package - \$175

- Check all faucets for leaks
- Dye test all toilets for leaks
- Check all sink piping
- Check all fixture drains
- Check washing machine hoses
- Check all hose bibs for leaks
- Check all exposed hot and cold water supply lines
- Check and tag all emergency shut-offs and water shut off valves
- Treat all drains with ENDURE - ENDURE is a combination of natural bacteria strains that consume fats, oils and grease. ENDURE is a 'green product' and is safe for your family, pets and your plumbing.
- Check water system for leaks and notify customer (Check at the city water meter or well pump)

### Option 2 - Gold Package - \$225

The Gold Package includes everything listed in the Silver Package, plus one water heater inspection. \*Each additional water heater add \$50

#### Gas Water Heater

- Check main burner & pilot
- Inspect flue pipe
- Check for proper venting
- Check for gas and water leaks
- Check emergency shut off
- Check temperature & PRV
- Check drain valve operation
- Flush Tank

#### Electric Water Heater

- Check operation of elements
- Check thermostat
- Check wiring
- Check for water leaks
- Check emergency shut off
- Check temperature & PRV
- Check drain valve operation
- Flush Tank

#### Tankless Water Heater

- Check operation of burner assembly
- Inspect venting
- Inspect shut off Valve
- \*Add \$75 for Tankless Flush
