

PRIVACY INFORMATION CONSENT FORM

During the year we include student details/photographs, camp and sporting reports and class material in our class lists, Grade 6 school uniform items, school photos, newsletters, media releases and other promotional material.

We are planning to also publish the school newsletter and additional material on the school web site for community access. We will use first name and first letter of the surname as the naming convention for the newsletter unless specific approval for the full name is sought eg School Council members.

In accordance with legislation regarding the release of information about individuals contained in the Information and Privacy Act (IPA), we require your consent to allow the school to use such material.

We ask that you kindly complete and sign the form below.

Craig Burnett
Principal

Name of Student:

Current Teacher:

I **give / do not give** permission to the Huntly Primary School to include student details/photographs of my child in the school class lists, Grade 6 school uniform items and material circulated within the school community.
