Provide a quality service related training program – Obtain a FREE Exhibit Table \_\_\_\_\_

One of the primary focuses of this conference is to provide our members with Equipment Service Related Training. We have additional training rooms and vendor tables available and therefore if a vendor can provide a quality service related training program that could be added to our program schedule they could qualify for a free vendor display table on the upper level. If a vendor is interested in this option then please email us at [oceanews@gmail.com](mailto:oceanews@gmail.com) immediately with the details of your training program proposal. We will make every effort to accommodate.

Payment via check for the amount \$300.00 per table and any sponsorships amounts should be made payable to OCEA and mailed to the address below:
