## COMMENTS

### ENGINE COMPARTMENT

Fine...Extremely clean and correctly detail. No visible fluid leaks. The inner fender panels are stock and brightly painted black. The fire wall is smooth with none of the previous holes showing and is painted the turquoise matching the car color. The under hood is also painted. The hinges have been rebuilt. The powerful 327 engine appears to be beefed up a bit and is fueled by a Corvette Fuel Injection. For extreme cooling the radiator, shroud and over flow bottle are custom and has an electric puller fan. The hoses are stainless steel & braided. The electrical system is 12 Volt with a heavy duty stainless steel alternator for charging the heavy duty battery. The power steering has been updated with a new after-market pump. There are numerous items of chrome or stainless steel under the hood including all new lines, bolts & nuts

### CHASSIS

Fine....Clean and rust free with many areas freshly painted. Aftermarket 17 & 18" Corvette Wheels with oversized tires that are in good condition. Customized dual stainless steel Flow Master custom exhaust that is properly aligned. Disc/Drum brakes with new lines. 700 R-4 automatic transmission with overdrive. Auburn custom 10 bolt rear end with 373 fluctuating gears gives low end torque and high end cruising. The front & rear suspension are coil springs and have been customized by Quick Kor. All new body mounts.

### BODY

Fine.... Beautiful body and paint. Body is extremely straight with excellent door, engine compartment lid, trunk compartment lid and panel fit. All Steel. All stainless steel trim is stock appearing with no pitting or scratch's. No noticeable rust in body. The paint is in excellent condition. The chrome bumpers and grill are shiny chrome with no scratches and no pitting. The tinted glass is all stock appearing with no scratch's or chips.

## INTERIOR

Fine..... Custom steel dash and leather dash pad. The new Stewart Warner gauges are mounted in a custom cluster. The very nice fitting Honda Accord seats are reupholstered in Ultra Leather and show no wear. The matching door panels are reconditioned and are in excellent condition. The weather stripping appears to be new and does not leak. The carpet and headliner is new. There is a sheet metal barrier between the back seat and trunk. The trunk is coated with under-coating and has new rubber weather stripping. The battery is located in the trunk.

## SUMARY COMMENTS

This is a very fine 65 Malibu! Restored to correct detail and yet updated in many areas. The workmanship is excellent. Performance and appearance received attention to detail. The body off restoration was completed in 2009. This car is of show quality. Runs and drives as well as it looks!

CONDITION GRADE.....2
