

## INTERN FEEDBACK FORM

Your comments will assist the Department of Family and Consumer Studies in better meeting the needs of future interns.

1. How did your internship experience help you grow personally and/or professionally?

2. What previous classes or classroom experiences were most useful in preparing you for your internship? What educational experiences do you wish you would have had prior to completing your internship?

3. What advice would you give future interns? (May we use this in promoting internships to other students? Yes/ No)

4. Would you consider doing an internship again? Why or why not?

*(Continued on back)*

5. How could the internship program and/or assignments be improved to better meet future interns' needs?

6. What can the internship coordinator do to better serve interns?

7. Other comments:
