Don't forget the great news that Payroll Giving donations are tax free, so it actually costs you less to give us more. Donating £100 a month will only cost you £80 a month at the basic rate of tax and £60 at the higher rate of tax, while donating £5 a month will only cost you £4.00 at the basic rate of tax and £3.00 at the higher rate of tax.

I already give to the Meningitis Now through my payroll.
