Hi Villagers!

This is your opportunity to provide needed feedback to the Park Street Cafe after their first year as the village restaurant. We will provide them with your filled out forms after the January Village meeting. These forms will be available at the Village meetings November 12 and January 14, and online on the "Forms" page.

Their first year was a probationary one. Approval will mean 2 more years, disapproval will mean we seek a new restaurant in January. Consensus on this matter will be on the agenda at the January 14, 2009 meeting.
