

Holy Heart High Science Fair Proposal Form

Please complete one proposal per group and submit to each applicable teacher.

Name: _____ **Partner Name:** _____

Course #1: _____ **Course #2:** _____

Title of Project: _____

Type of Project: *Choose one of the following:*

- ☐ Life Sciences ☐ Physical Sciences ☐ Engineering ☐ Computer Technology

Category of Project: *Choose either A or B and complete the associated information.*

☐ A. Experimental.

☐ I. Student Design

☐ II. Demonstration

☐ B. Nonexperimental

☐ I. Innovation

☐ II. Survey

☐ i) Student Design

☐ i) Student collected data

☐ ii) Demonstration

☐ ii) Previously collected data

Bibliography: Provide sources for your background information that you have collected and/or where you obtained your experiment.

Special Equipment: Outline any unusual or difficult to obtain equipment and explain how you intend to obtain these.

Description of Experiment: For experimental projects, include background information, purpose, hypothesis, materials, variables and procedure. For nonexperimental projects, include background information, sample size and demographics and a brief description of the project. Use extra information, if necessary.
