# Frequently Asked Questions

## Why is consent required?

The sharing of student personal information in ways that identify the student is governed by the Freedom of Information and Protection of Privacy Act (FOIP) and requires CBE to obtain permission under certain circumstances. CBE requires parental consent for CBE staff to share student information for educational purposes, outside of CBE. Examples of this include posting student work or images on CBE websites, Facebook or other social media. This consent is provided on the "Consent for CBE Use of Student Information" form

CBE also requires parental consent to allow third parties (such as media or business partners) to photograph, video or interview students at CBE non public events. This consent is provided on the "Consent for Use of Student Information by News Media and Outside Groups (Third Party)" form.

## How long is my consent valid for?

Parental consent is gathered annually and is valid for the current school year only.

## What happens if I change my mind regarding consent?

Parental consent can be withdrawn at any time during the school year. This must be done in writing to the school principal. Please keep in mind that once personal information, images or student work are released in any public forum, the CBE cannot control or prevent further distribution or use of the material. If you change your mind and wish to provide consent during the school year, it must also be done in writing to the school principal.

## What happens when the media comes to school?

If your child has consent, they may be recorded by the media. If you have not provided consent, your child will not be allowed to be recorded or approached by the media on CBE property.

## What are Google Apps for Education?

Google Apps for Education provides an online environment for students to collaborate and work in. The following Apps are available for students: drive, sites, groups, Gmail and calendar. There is no advertising and the information is not made public. Access to Google Apps accounts and the content is only for registered CBE students.

## What is digital citizenship in relation to sharing student information?

Digital citizenship is about having the knowledge skills and attitudes needed to demonstrate responsible and respectful behavior when participating in digital environments. This is applicable when students are asked to provide personal information upon logging in to websites or sharing personal information online. All CBE schools are required to have a digital citizenship plan.

## Directions for Use of the Student Registration Form

This form is to be completed by independent students OR by the parents or legal guardians of students registering at Calgary Board of Education schools.

1. Prior to registering any student, it must be determined if the student is a resident of the Calgary Board of Education as defined under legislation. There is a space at the top of the Student Registration Form for **the parent/guardian or independent student** to declare this information.

The *School Act* allows a board to set admission priorities where facilities or resources are not sufficient to accept all students wishing to attend a specific school.

**If there is space and resource limitations, the non-resident applicant must be informed that their registration cannot be accommodated at that time. Non-resident students, whose registrations are accepted, must be informed in writing regarding the duration of that acceptance.**

### Residency Considerations:

To qualify as a resident student of the CBE a student must physically reside within the jurisdiction of the Calgary Board of Education (i.e., within the geographical boundaries of the CBE) with their parent(s) or legal guardian, or as an independent student. In addition, the faith of the parent(s) of that student must be non-Catholic.

#### Out of Calgary Students

If the parents or legal guardians OR the independent status students live outside the geographic boundaries of the Calgary Board of Education, they are not residents of the CBE.

#### Roman Catholic Students

If the parent(s) or the legal guardian(s) OR the independent status student live within the geographic boundaries of the Calgary Board of Education but are of the Roman Catholic faith, the student is a resident of the Calgary Roman Catholic Separate School Division and not resident of the CBE (*School Act* – Section 44(4))

#### Francophone Students

If the parent(s) or the legal guardian(s) OR the independent status student live within the geographic boundaries of the Calgary Board of Education and the first language of the parents (or the Independent Student) is French AND they wish to exercise their Section 23 rights, they are residents of the Conseils Scolaires Catholique et Francophones du sud de l'Alberta and not residents of the CBE. If they do not wish to exercise their Section 23 rights, it must still be determined if they are residents of the Calgary Board of Education or the Calgary Roman Catholic Separate School Division.

#### Dual Residency

If both parents (or legal guardians) have care and custody of a student and each is a resident of a different school district or division and they wish to have the student considered as a resident of the Calgary Board of Education, they must declare that to be the case by checking YES to the Declaration of Residency and signing the Registration Form. *School Act* - Section 44(8))

2. The custodial parents OR legal guardians OR independent student must complete the form and **provide all required documentation**. Please note that full legal name is required. AKA given name may be requested and recorded in SIS.
3. Once the form is completed, review the form and documentation for completeness and accuracy with the person who completed it. Pay particular attention to the declarations and supporting documents regarding residency, date of birth, citizenship, previous suspension or expulsion, custody or guardianship, medical information, aboriginal information, ESL eligibility and francophone eligibility. If medical information is provided, insure that follow-up forms are provided as necessary. Please note that provision of the Alberta Personal Health Care Number cannot be required.
4. Add the student to SIS using Add a Student for Current Year or Add a Student for Next Year, whichever is appropriate. Transfer data to SIS by entering information in the fields as they appear on the registration screens. On the top right hand corner of page 1, record the student's CBE ID # (if new to the Board), the Alternate or Special Education program name (if applicable), and if the student is registering in Kindergarten, whether or not the program is a full-day Kindergarten program.
5. File the registration form and the supporting documents in the student's cumulative file.

Once completed, the Student Registration Form becomes part of the CBE Official Student Record. Official student records may be reviewed by either custodial/access parent and/or legal guardian. If the registering parent/guardian does NOT wish to have their personal information (i.e. home address, work number etc.) shared with the other parent/guardian during a review of the student record, a written request to keep this information private must be provided to the school.
