

## Team Building Registration Form

Our teambuilding activities provide you and your group an opportunity to grow together. These games/initiatives challenge you as an individual and as a team. Each game will help build communication, trust, and problem solving skills. Our desire is to help you unify your group through these games. After each game, the facilitator will debrief the participants which will help the group draw out the unifying principles. Some of the games are strictly problem solving and require little to no physical exertion, while others are very high energy and require the entire group to work at one time. We will work with you to make sure we meet the needs of your group. A meal can be provided upon request, for a fee.
