

Evaluation metrics:

- Relevance: the project is closely related to the topics in MIS 373
- Clear: motivation, importance, and implications of the project
- Slide quality: informative and convey the ideas
- Engaging: interact with audience and invite questions
- Overall

Please give objective evaluation on each team project (except yours) by circling the score in each of the five metrics. Your score on this team project showcase will be the average score from other peers (80 pts) and a score of doing an objective evaluation from me (20 pts).
