

# Child Behavior and Development Tracking Form

## CBDA

**For the following questions, please tell me if you think CHILD is average, below average or above average, compared to other children his/her age.**

(If the respondent says “above” or “below”, then PROBE: “do you think s/he is a little \_\_\_\_\_ ” or “...much\_\_\_\_\_”?)

**Compared to other children the same age . . .**

**1. How would you describe (CHILD’S) health? Would you say, compared to other kids, that his/her health is**

- 1 Excellent
- 2 Good
- 3 Fair
- 4 Poor

**2. How well does s/he play with other children?**

- 1 Much above average
- 2 A little above average
- 3 Average
- 4 A little below average
- 5 Much below average

**3. How quickly does s/he learn or catch on to new things?**

- 1 Much above average
- 2 A little above average
- 3 Average
- 4 A little below average
- 5 Much below average

**4. How well is s/he talking or expressing her/himself with words?**

- 1 Much above average
- 2 A little above average
- 3 Average
- 4 A little below average
- 5 Much below average

**5. How happy do you think s/he’s been this year?**

- 1 Much above average
- 2 A little above average
- 3 Average
- 4 A little below average
- 5 Much below average
