SUBSTITUTIONS

By writing in the words “No Substitutions” on the lines below, we, the undersigned, affirm that we have included all products, materials and systems as specified by name or descriptions (so as to be proprietary) as specified in the project manual, indicated on the drawings or included by the addenda in this Bid without modification.

OR

By indicating below the specification section of each unit of work or item subject to a substitution included with the Bid, we, the undersigned, acknowledge the following:

1. That for each unit of work or item subject to the substitution included with this Bid, we have attached complete evaluation data required for substitutions as

indicated in the Instructions to Bidders and General Conditions covering standard of quality and substitutions. Failure to provide complete information will result in rejection of the substitution without revision of Bid cost.

- 2. If any such substitutions are accepted by means of inclusion in the Contract, we will pay to the Owner costs related to such substitution as may be required for redesign or modification to work of other contracts.
- 3. If any such substitutions are rejected, this Bid may be disqualified or, at Owner's discretion, the Bid may be accepted without such substitutions and without revision to Bid amount. In the case of the latter, we will provide the items or units of work as specified or indicated.
- 4. Substitutions deemed acceptable will be included in the contract only by a Change Order (without changes in time or cost) to be executed with the Agreement.
