INSTRUCTIONS FOR ORDERING YOUR MAINTENANCE MEDICATIONS

For New Prescriptions:

- Please fill out the order form **completely** and print clearly. Use one order form for each patient ordering medication(s). **Missing information delays the processing of your order.**
- If using a credit card, be sure to include your credit card number. **Bioscrip** cannot process or ship your order without payment in full. If you know your copayment, you can also pay by personal check or money order.
- **BioScrip** provides *free* standard shipping for prescriptions. If you choose to have your Medication shipment rush-ordered, additional costs will apply.
- Pharmacy Regulations prohibit **BioScrip** from honoring requests to cancel or return Prescription orders after the order has been received.

For Refills: If your medication was previously filled by **BioScrip** check the label for the RX#. You can have it refilled by calling toll-free **1-877-677-4323 (1-877-517-9301** for TTY service). Choose “refill my medication” and follow the instructions.

MEDICATION SUPPLY CONSIDERATIONS

Be sure to place your order at least 21 days before you run out of your current medication supply. Your benefit plan requires your doctor to write a prescription for a 90-day supply. If you need a prescription fulfilled immediately, ask your doctor to write a 30-day prescription that you can have filled at your local pharmacy, and a 90-day prescription for you to send to **BioScrip**. (Please note: If your doctor specifies a quantity less than 90 days, it will be filled as written on the prescription. For example: if the prescription specifies a 30-day supply, **Bioscrip** will fill the prescription for 30 days.)

BENEFIT INFORMATION

BioScrip must adhere to your benefit plan. If an order cannot be processed due to benefit plan stipulations, **BioScrip** will contact you. Call the Member Services phone number provided on the back of your prescription benefit identification card if you have questions about your drug benefits or copayments.
