

PARENTAL DEBARKATION AUTHORIZATION

Our onboard Security system prohibits children under the age of 18 from disembarking the ship unless accompanied by an adult in their same stateroom. If your party occupies more than one stateroom, please take a moment to review and complete this form authorizing any additional adults in your party to accompany your child ashore. This form may also be used to authorize children under the age of 18 to go ashore unaccompanied by an adult. Completed forms should be returned to the Guest Services Desk, located on Deck 3, Midship.

Messages:

Our onboard Security system prohibits children under the age of 18 from disembarking the ship unless accompanied by an adult in the same stateroom.

Families in multiple staterooms should review and complete a Parental Debarkation Authorization form to make certain that adults in each stateroom may accompany children under the age of 18 off of the ship in the ports that we visit.

- The form is necessary when parents or grandparents are assigned separate staterooms and they wish to have the ability to depart the ship with the children in the other stateroom.
-

The Parental Debarkation Authorization form may also be used to authorize children under the age of 18 to go ashore unaccompanied by an adult.

Completed forms should be returned to the Guest Services Desk, located on Deck 3, Midship.

Why do guests now need to complete this form?

We've always had the Parental Debarkation Authorization form that identifies those children authorized by their parents to go ashore unaccompanied. The addition of identifying other adults in your party to accompany children ashore further enhances our security measures.
