As a Partnering Church, we identify with the purpose of Missions Fest as stated in the Policies of Missions Fest. A Statement of Faith is available upon request. We agree with the mission statement "Find Your Purpose, Make a Difference."

We understand that as a Partnering Church, our way of demonstrating our active support for this event includes the following:

2. Keep the **church calendar** as clear as possible on the conference weekend to enable the congregation to attend.
3. Appoint an **official lay representative** (*maximum of two – non-ministerial preferred*) from our local congregation who will;
  - a) **choose** a department of special interest and **assist in planning** the next Conference by attending the regular planning sessions.
