

TEACHER & COURSE EVALUATION FORM

The V.N.I.T.and its faculty are engaged in a constant endeavour to make you learn better. The form which you are about to fill up, has been designed with the prime objective of making our educational system more effective and more adaptable for you to achieve excellence. This exercise is meant to collect your opinion of different facets of education being imparted in this department. Please base your judgement on your honest and unbiased observations. Your balanced and matured opinion will assist in achieving the desired objective. Answer independently, objectively and with a sense of responsibility.

Please bear in mind that your response will in no way affect your results. Hence you may write your names, though it is not mandatory. This exercise of collecting feedback from you will be utilized in improving the process of education. Remember that its abuse or misuse may shatter its very purpose and prevent improvement in our educational system.
