

## OREGON COUNTRY FAIR FEEDBACK FORM

The OCF appreciates your input regarding all aspects of this organization and event. We want to hear your feedback - suggestions for changes in OCF policies, comments on what works and what doesn't, or philosophical ramblings. These will be reviewed by the Feedback staff and the General Manager, and forwarded to relevant coordinators and committees, unless you request otherwise. To report on a specific incident, please see Fair Central for an Incident Report Form. You are welcome to give member input at monthly Board meetings and encouraged to attend the Annual Meeting each year in the fall. Call the Fair for meeting times and locations at (541)343-4298.

Feedback forms are included in all vendor registration packets - share your pre-Fair and Fair experiences with us by mailing them to: **Feedback**, Oregon Country Fair, 442 Lawrence Street, Eugene, OR 97401. During the Fair, Feedback forms may be picked up and returned to all Information Booths. WRITTEN feedback is accepted throughout the year, and is compiled for the annual meeting in the fall. Please mail the Fair a SASE if you wish a copy.
