

Presentation Peer Evaluation

Directions: Fill this form out after viewing/listening to the presentation. Score each of the peer evaluation categories (see below) out of 10 points (0-5=F, 6=D, 7=C, 8=B, 9=A, 10=A+). Return completed evaluations to Ms. Chang. Note: **You will receive a work ethic (effort) grade for thoroughly completing this evaluation.**

Your Name:	
Members of the group presenting:	
Title of the project:	
The most important information you got from the presentation is ...:	
Did the group provide an overview/preview of their presentation? What did you learn from it?	
Did the group provide an attention grabber at the beginning of their presentation? Did it work? Why or why not?	
Did the group provide a recap/review of their presentation? What did you learn from it?	
Which part of their presentation delivered the most important and/or relevant information? Why?	
Which part of their presentation delivered the most distracting or inaccurate information? Why?	
Did the group successfully provide a meaningful, relevant message, with appropriate and complete deliverable(s) ? Why or why not?
