Disclosure of material facts

It is essential that every Proposer or Insured when seeking a quotation, taking out or renewing an insurance, reveals to the prospective Insurers any material facts or information (including any material circumstances or change in circumstance) which might influence the judgement of Insurers in fixing the premium or in determining whether they will accept the risk. Failure to do so may render the contract of insurance voidable from inception at the option of the Insurers and enable them to repudiate liability thereunder. If you have any doubt as to what constitutes a material fact or circumstance, seek our advice.

I declare that the above statements and particulars are true, full enquiry having been made, and I have not omitted, suppressed or misstated any material facts and undertake to inform the Insurer of any change to any material fact. I understand that the information provided will be used by the insurers and/or their agents to arrange and administer the insurance and in handling claims which may necessitate sharing information with third parties and that information may be shared with business partners to deliver any additional services provided with this insurance.

I further agree that this declaration, together with any other information provided shall be the basis of any contract between me and the Insurer.

A copy of this proposal should be retained by you for your own records
