DAMAGE WAIVER

As an additional service to all our customers, Total Equipment Rentals offer an optional Damage Waiver. This "Damage Waiver" (DW) will help reduce the cost to you for damage to equipment while on rent under normal working conditions. The charge will be 14% of the rental price and will be automatically applied at the time of rental if you choose to accept the DW.

WHAT IT COVERS

- Damage occurring to the rental equipment while on rent and used under normal working conditions.

WHAT IT DOES NOT COVER

- Equipment that is used for a purpose for which it was not designed.
- Misuse, abuse, or intentional damage.
- Damage to tires, tracks and windows.
- Normal wear and tear and maintenance.
- Mysterious disappearance and theft.
- Equipment not maintained or not maintained correctly.
- See "Damage Waiver" on the back of the rental contract under Terms and Conditions.

Please indicate in the section below whether you wish to accept or decline the coverage. If you choose to decline, you must provide us with proof of insurance. If you choose to accept the coverage, DW will be charged unless we are notified otherwise by fax or email. If you do not complete the section below you will be charged DW automatically.
