

## Cobalt Medical Travel Clearance Form - Part A

### Prior to travel

1. This form is to be used by passengers whom have a medical condition and intend to travel on a flight operated by CobaltAir LTD.
2. This form is to be completed by the treating medical practitioner ensuring the Travel Clearance Guidelines are referred to assist in determining if a passenger is fit to travel by air.
3. If the Travel Clearance Guidelines indicate further information is required, a corresponding Part B form must also be completed by the treating medical practitioner.
4. A copy of the Travel Clearance form must be returned to Cobalt at least 7 days prior to the proposed date of travel. All sections must be completed.
5. Please return both Part A and Part B (where required) to [specialhandling@cobalt.aero](mailto:specialhandling@cobalt.aero)
6. If you as the medical practitioner believe that special consideration should apply to an individual patient, you should contact us to discuss with one of our Medical Team.

**Cobalt Privacy Collection Notice**

Cobalt collects information about you (including health information where necessary) to provide products and services to you, facilitate your participation in our and other organisations' loyalty programs, ensure the safety and security of all passengers when travelling with us, conduct marketing activities for our and third parties' products and services and conduct market research.

We may collect your personal information from people who make or update your travel booking or otherwise interact with us on your behalf, from our related bodies corporate, our service providers and from immigration, customs, border security and other regulatory authorities. Some of the information we collect is required under the Cyprus law or EASA aviation regulations. If the information is not provided, we may not be able to provide the service requested.

For the reasons described above, we may disclose your personal information to:

- our related companies, other carriers and organisations, which provide services to us (such as ground handling and other travel related services, call centre operation, market research and marketing services, and services associated with complaints or security incident investigation);
- your employer if you are travelling for work purposes on a ticket purchased by your employer\*; and
- others to comply with our legal obligations, including to various law enforcement agencies, regulatory authorities and governments for security, customs and immigration purposes.

These parties may be located overseas including in the United Kingdom, the United States, Germany and any country which you travel to or through with us or our partner airlines.

Our privacy policy is available at [Cobalt.aero](https://cobalt.aero) and it contains more information about the above and also how you can seek access to, and correction of, your personal information. It also explains how you can complain about a breach of your privacy and how we will deal with your complaint. You can contact us by writing to Cobalt Customer Care at [Support@cobalt.aero](mailto:Support@cobalt.aero)

\*The information disclosed to your employer may include your travel details and any information associated with your travel (such as incident reports).

Dear Doctor,

In order to completely assess your patient’s fitness to fly, we appreciate you providing as much medical information as is possible, this allows our Medical Advisors to review and appropriately risk assess travel to ensure your patient reaches their destination safely and well.

For complicated medical cases, the Cobalt Medical adviser is available to discuss your patient’s case, please request to be connected through Passenger Special Handling.

Please provide by free text any further relevant medical information as below:
