# School Travel Questionnaire

We have contacted you because you have a child who has started primary school this year.

We would first like to ask you some questions in relation to that child and his/her journey to school. We will then ask you some questions about your travel habits and attitudes towards different modes of transport. This is to help us understand how the journey to school fits in to your wider opinions about transport, congestion and the environment.

## A Your child's journey to school

### A.1 How many children do you have in each of the following

- a Pre-school/day care \_\_\_\_\_
- b Nursery school \_\_\_\_\_
- c Primary school \_\_\_\_\_
- d Secondary school \_\_\_\_\_

### A.2 Was your child at school last year?

Please tick ONE box only

- <sub>1</sub> No (go to question A.4)
- <sub>2</sub> Yes, at a nursery/kindergarten attached to his/her current school
- <sub>3</sub> Yes, at a nursery/kindergarten in a different location to his/her current school

### A.3 What was the main mode he/she used to travel to school last year?

Main mode means the mode that covers the longest distance on the journey. If this is different in summer or winter, answer with the mode you used the last time you made the journey:
