INSTITUTE FOR PUBLIC SERVICE

VENDOR PACKET REGISTRATION FORM

The University of Tennessee will be hosting it's biennial Forensic Symposium January 25-27, 2017 in Nashville, TN. This symposium is widely known and well attended by law enforcement professionals. Our attendees are mostly graduates of the 10-Week National Forensic Academy who come from Federal, State, County, and local jurisdictional agencies from 48 States, and 3 Countries.

This will be a special event as we will also be celebrating 15 years of the National Forensic Academy! To help us celebrate famed Anthropologist and Founder of the Body Farm Dr. William Bass will be joining us. There will be an opportunity to sponsor different meals/breaks/or the 15th Anniversary Dinner with Dr. William Bass.
