

Project#6 FEEDBACK form

Student Name: _____ Class Period: _____

Your Score: _____/100

☐ I recommend you work on an extra credit assignment to make up for lost points

You did not receive any credit for this project because:

- ☐ You failed to turn in any part of this project *REMEMBER: Projects CANNOT BE TURNED IN LATE!
- ☐ You failed to turn in ALL of the required MANDATORY components as described in the project directions
 - ☐ PSD (Photoshop file) with multiple composited layers (see directions)
 - ☐ DOC (MS Word file) "artist statement"
 - ☐ JPG (original "un-edited" cover-art photo)
- ☐ The work you turned in was very incomplete/inadequate and you failed to follow the project directions
- ☐ Your PSD project file did not show composite layers as described in the project directions. Therefore, I could not see what work you may have done in Photoshop
- ☐ You refused to present this project in class (if required)
- ☐ By examining the original photo data I can tell that the picture(s) was taken well before you started this project

You did receive credit for this project and here is your feedback:

- ☐ YOU LOST POINTS BECAUSE your FILES were NOT NAMED CORRECTLY
- ☐ Great job! It looks great and you followed the directions! Your magazine cover looks like it belongs on news stand.

Cover Photo Feedback:

- ☐ Your cover photo (original photo) looked great!
- ☐ Your cover photo (original photo) did not show a good mastery of basic photography skills
- ☐ The following things caused your cover picture(s) to not look very good (you lost points because):
 - ☐ Poor/Bad background choice
 - ☐ Poor/Bad subject selection
 - ☐ Poor/Bad focus (out of focus)
 - ☐ Poor/Bad lighting
 - ☐ Poor/Bad DOF (Depth of Field)
 - ☐ Poor/Bad composition
 - ☐ Poor/Bad use of lines to provide depth
 - ☐ Poor/Bad manipulation of depth/scale
 - ☐ Poor/Bad color balance or color tone

Composite Picture Feedback:

- ☐ Your composite picture showed a lack of creativity or originality. Remember there should be a point or purpose to every product you produce.
- ☐ The work you did in Photoshop was rough and did not look very good. You should have spent more time in Photoshop making the magazine cover look perfect!
- ☐ Your final composited picture did not look like a "real" magazine cover.
- ☐ You used "low-resolution" or "pixilated" graphics
- ☐ You did not re-create the "copy"(text) on the cover
- ☐ You did not appear to follow a similar layout as the original magazines

Here is the feedback on your class presentation:

- ☐ *You failed to present your project and lost out on a valuable opportunity to earn easy points
- ☐ You did a great job presenting
- ☐ Your presentation was too short or not descriptive enough
- ☐ Next time spend more time preparing & rehearsing your presentation
- ☐ Speak more clearly and/or louder
- ☐ Your presentation was disorganized
- ☐ You did not cover some important aspect of the project
