# FINANCIAL INFORMATION RELEASE FORM

Purpose: Authorizes the release of financial information and records to specified individuals.

**Federal Regulation:** The Family Educational Rights and Privacy Act (FERPA) states the following: "At the postsecondary level, parents have no inherent rights to inspect their son's or daughter's education records. The right to inspect is limited solely to the student. Records may be released to parents only if one of the following conditions has been met: (1) through the written consent of the student, (2) in compliance with a subpoena, and (3) by submission of evidence that the parents declared the student as a dependent on their most recent federal income tax form. An institution is not required to disclose information from the student's education records to any parent of a dependent student. However, it may exercise its discretion to do so."

I authorize the following named individual(s) to be allowed access to my financial information and to receive my financial records. This authorization is valid for the duration of my enrollment at Nichols College.
