

Beyond Seeing: *The Art of Photography* Workshop Questionnaire

The following survey is intended to maximize the benefit to all workshop participants by understanding levels of experience and, more importantly, expectations. The staff will customize the workshop in and around the responses from the survey. Please fill out the following survey and return to Larry Stueck at: lstueck@gmail.com no later than one week prior to the start of the workshop.

Name:

What are your personal goals for the workshop?

How would you describe your photographic experience?

What is it about your photography that gives you the greatest satisfaction?

What other workshop(s) have you attended?

What artists have inspired you in your photography?

What photo editing software and operating system (Mac vs. Windows) do you use?
