Complaint Investigations

Frequently Asked Questions

The Department investigates quality of care issues, such as allegations of actual or potential harm to patients, patient rights, infection control, and medication errors. The Department also investigates allegations of harm or potential harm due to an unsafe environment.

Q. What information is needed to file a complaint?

The Department needs to know the who, what, when, where and how.

Who is the patient/resident? Who are the employees involved?

What happened to the patient/resident? What are the specific allegations (abuse/neglect, acquired infections or medication error)?

When did this incident occur (date of incident, admission or treatment)?

Where is the facility located (name and city)? Where in the facility did the incident occur (room number, unit, or department)?

How was the patient harmed? How could the patient have been potentially harmed?
How was your complaint addressed by the facility?

Q. Who may file a complaint?

Complaints may be filed by, but are not limited to, patients, patient family members, care givers, staff or advocacy groups.

Q. Is the identity of the complainant disclosed?

The identity of the complainant is not disclosed to the facility by the Department. The complainant may provide a name, address and phone number to the Department. This information is required if the complainant would like to receive written notification of receipt of the complaint and notification of the outcome of the complaint investigation. Complaints may be filed anonymously.

Q. What happens after a complaint is filed? When will my complaint be investigated?

All complaints are logged and reviewed. Complaints are investigated on a priority basis. Depending on the nature, scope, and severity of the complaint allegations, the investigation may take from a few days or weeks, to several months.

Q. How do I file a complaint with the Department?

You may file a complaint by telephone, mail, online or fax. By telephone, you may call the Department's Central Complaint Registry, 8:30 a.m. - 4:30 p.m., Monday-Friday at 800-252-4343. You also may submit your complaint in writing to:

Illinois Department of Public Health
Office of Health Care Regulation
Central Complaint Registry
525 W. Jefferson St., Ground Floor
Springfield, IL 62761-0001

Fax: 217-524-8885
TTY: 800-547-0466

If you have Internet access, you may download the complaint form from the Department's website at <http://www.idph.state.il.us>

Q. Are there other agencies that may address some issues or areas of concern?

Yes. Below is a list of other state agencies.

- 1) Insurance billing issues should be referred to the Illinois Department of Insurance at 877-527-9431 or 866-445-5364. To file a complaint online go to www.insurance.illinois.gov/Complaints/file_complaint.asp
- 2) Possible health care fraud should be referred to the Attorney General's Health Care Fraud Unit at 877-305-5145 (TTY 800-964-3013) or fax 312-793-0802. To file a complaint online go to www.ag.state.il.us/consumers/filecomplaint.html
- 3) Licensed personnel issues should be addressed to the Illinois Department of Financial and Professional Regulation at 312-814-6910. To file a complaint online go to www.idfpr.com/dpr/FILING/Complaint.asp

Q. Who should I contact to check the status of my complaint?

To check the status of your **long-term care complaint**, contact the *Department's Bureau of Long-Term Care* at **800-252-4343**. For **non-long term care complaints** contact the *Department's Division of Health Care Facilities and Programs* at 217-782-7412. To make inquiries, you must have the name and location of the facility. This is **NOT** a toll-free call.
