With our mission in mind, and in an effort to improve the athletic programs at Ascension, we would greatly **appreciate it if you would take the time to fill out this form.** Our program is built on the premise that our children will have fun and learn how to play the sport they are involved in and that **our coaches will emphasize team play, build positive self-esteem in the players, and be under control and project a positive Christian attitude at all times.**

Please keep in mind that our program consists of volunteers who donate their time to work with our children. **Your comments will be kept confidential and will only be shared in summary form with your child's coach. The Athletic Board will take any suggestions for the improvement of the overall program into consideration.**
