## **Coaches/Team Representatives**

Welcome to Eduography's Youth Sports Photography Step-By-Step Scheduling Guide for Coaches and Team Representatives.

We have set up a user-friendly, step-by-step guide to help make your child's youth sports experience memorable and stress free. We work together with Youth Services to bring you the most affordable and highest quality youth sports photography service the area has to offer. Since 2004, "Our Lens has Captured Your World" by providing Convenience, Reliability, and Quality.

Please follow these step-by-step directions to help guide you through this process.

1. **Order Forms** - Print out the Youth Sports Photography order form so that you can answer any questions from parents concerning prices, delivery, etc.
2. **Go to "Request-A-Shoot"** - Please send us the day, time and location of requested shoot.  
Please keep in mind that it takes us about 20 minutes to set up and break down our equipment. Also, please take into consideration the time your game starts. In the past some coaches mistakenly scheduled photo shoots the same time as the start of the game.
3. **Email prior to** or pass the forms out at the practice before the scheduled picture shoot.  
Provide photo forms for ALL players/parents interested in pictures. Please make sure all parents select a photo package and sign the photo release agreement located directly above the packages. This agreement is mandatory to ensure that the entire team can be placed online for future orders.
4. **Inform parents that they must pay on the day of the shoot.**  
If not, they must pay an additional \$5.00 service fee to order print packages online.
5. **For ALL team photos a minimum of 6 players are required to purchase a package prior to the shoot in order for a photographer to come out.**  
In the past we have noticed that it is a waste of time and money to provide a photo shoot for a team in which only 1 or 2 players are purchasing photos.
6. **Please ensure that parents complete ALL of the sections provided on the order form with their best handwriting.**  
Inform them that if they do not complete all of the information our editor will have to make an educated guess that may be wrong, as a result, the wrong information can be printed on the picture.
7. **Please paper clip, staple or place in an envelope each completed form with its payment.**
8. **All shots can be purchased via our online gallery**  
We provide a variety of print merchandise such as t-shirts, sweatshirts, aprons, mugs, etc. which are great gift ideas for loved ones in the States. Prints start at \$3.00 and downloads are \$5.00.
9. **Please inform your parents that pictures will be taken prior to or immediately following the game**  
Parents should arrive at least 15 minutes before the shoot with their child wearing the complete uniform including hat (if needed) and shoes. If parents are late to the shoot after equipment has been packed and stored - there will be a \$20.00 service fee for each player in need of a re-scheduled shoot.
10. **All prints will be delivered to the doorstep of each player by an Eduography representative.**
