

Prayer Partners

Dear Parent,

At MBC, our student ministry emphasizes the importance of students connecting with as many godly adults as possible during their middle and high school years. Statistically, we know that this alone increases the chances that your student will continue on in their faith after leaving high school. So, we try to take advantage of every opportunity to bring our students together with adults within our church.

Prayer Partners is an opportunity to do just that. The Prayer Partner team is seeking to pair students and adults in a prayer partnership. Partners will exchange basic information and will share prayer requests with each other on a periodic basis, and commit to pray for each other daily.

We are pairing females with females and males with males. Please know that we are cautioning our adults not to share anything that is inappropriate or beyond the realm of the students' understanding. Adults and students are instructed to keep prayer requests confidential. Our adults are also being advised to report any issues you would need to know about, such as drug use, suicidal thoughts, etc.

The teenage years can be very challenging for both you and your teen. This is an opportunity for your child to have one more person praying specifically for them. It is also a chance for them to experience the joy and blessings that come from praying for someone else.

If your child would like to participate please fill out the permission form below, and have your child fill out a Student information form. If you have any questions you can email us at MBCPrayerPartners@gmail.com or call Mike Clements at 703-361-2146 x234.

We are excited about this new opportunity and look forward to having your child participate.

Thank you,
The Prayer Partner Team

Please sign this form and return it to the main church office or send it back with your child.

.....

My child, _____, has permission to participate and to communicate with his/her partner by: (supply details for all that apply)

Student's Email: _____

Home Phone: _____

Student's Cell Phone: _____

Other: _____
