Deising's reserves the right to change rooms if promised number of guests at time of booking does not meet the number of guests at confirmation. Example: 50 people expected, but only 35 people confirmed. This adjustment may cause us to move your party to the Gaslight Room (smaller room), if another party is booked on the same day but has more people. ***A \$50 non-refundable deposit is expected to be paid at the time of the booking to reserve the date of your party.*** This \$50 will be deducted from your total bill when the party is done.* The confirmed number of guests given to us is the minimum you will be charged. If more people show up, we will add those guests to your bill. You may not bring in outside food into the catered party due to liability issues.

Leftover foods are not to be taken home unless it was purchased outright from the "add-on options" page.
