Academic Year \_\_\_\_\_

ID \_\_\_\_\_

1. If I pass this course, I will earn one-quarter unit (.25 unit) of graduation credit. This credit is elective credit and cannot be used to satisfy any major, minor, or general degree requirements.
2. In order to receive a passing grade for the course, I must attend twelve approved events during the academic year. No more than six events can be in any one event category. Event categories include concerts; exhibitions; films; lectures; plays.
3. I must confirm my attendance by signing in before or after the event, and in special circumstances by faculty confirmation of attendance.
4. I must register for the Cultural Events course *before* I attend any events. I have registered for this course by submitting this form, which has been signed by me and by my academic advisor, to the Registrar's Office. When I submit this form to the Registrar's Office, I will receive an initialed copy of this form as proof of my registration. I may register for this course at any time during the Fall Term, so that I may receive credit for attending events held in the Fall Term.
5. This course is part of my Winter Term registration. As such, it is subject to the rules governing registration changes for the Winter Term. I must register for this course prior to the end of the drop/add period in Winter Term (the first week of the term). If I wish to drop it, I must do so by the end of the drop/add period in Winter Term. If I wish to withdraw from it, I must do so by the end of the eighth week of classes in Winter Term.
6. No tuition will be charged for this course.
7. I may not request credit for attending events for which I am already receiving academic credit. For example, if my attendance at an event is required as part of another course for which I am enrolled, I cannot request credit for it. If I am participating in an event (such as a Wind Ensemble concert) and my participation is required as part of a course (such as Wind Ensemble), I cannot request credit for it.
8. If I attend fewer than 12 events during the year, I will receive a failing grade for the course.
9. I may not count events attended in one year for credit in another year.
10. I may not attend the same event more than once and count it toward the 12 required. For example, attending a CFI Symposium event on two different days, attending one art exhibit on two different days, and attending two separate performances of the same play are each counted as one event.

**I have read and agree to abide by these conditions.**
