Important information

An application for renewal of a Lease cannot be accepted until 80 per cent of the term of the lease has expired, however, an application may be made at an earlier time if special circumstances exist. Refer to Department of Natural Resources and Mines (DNRM) Policy - Land Holdings: Leases – Early Renewal, Rolling Term Lease Extensions and Conversion (Special Circumstances), available on the DNRM website at <https://www.dnrm.qld.gov.au/our-department/corporate-information/policies-initiatives/our-policies>.

Any renewal of a term lease is limited to the grant of a new term lease to the same lessee and for the same purpose as the existing lease. However, investigations could result in an offer being made for an area smaller than the area of your current lease to enable the state to secure land for uses such as road or a reserve for community purposes etc.

If your application for a renewal of lease is successful, you may also be required to provide a plan of survey at your expense.

All outstanding rental must be paid on the current lease, before submitting an application for renewal of a lease.

An application for a renewal of a Lease is not to be made if the lease is subject to a condition that states that an application for renewal cannot be made.

Information on this form, and any attachments, is being collected to process and assess your application under the *Land Act 1994*.
