### Tour Description

Set sail on a Sailing excursion and Dolphin Watch that is by far the most unique experience offered in the Tampa Bay area. The captains can confidently tell guests they have a 99% chance that they will see dolphins from their vessels. Are they that good? Well, yes ... but they also know the deck is stacked in their favor. Boca Ciega Bay and the greater Tampa Bay area is home to over 700 healthy identified dolphins.

Guests never tire of seeing them swimming along in their natural habitat. You may see them jump completely out of the water! The best way to truly experience the natural wonder of these wild sea creatures is on board a luxury sailing yacht gliding silently among them. The Dolphin Watch trip is sure to delight. Be sure to bring your camera!
